

Head Coach Roy Nelson giving battle instructions to Defensive Captain No. 66, Senior Linebacker, Glen Amundsen in last Saturday's Sequoit win over Wauconda 20-14

Could there actually be a reduction in our taxes? Yes, there could be, and there is a strong probability that there will be.

The Appropriation Ordinance for the County is almost completed as it will be wrapped up in the next week or so. This Ordinance sets up the budget for the upcoming year. So far. there are clear indications that a reduction will be seen in the tax levy. According to Lloyd Murrie, the Township Supervisor, the reduction is still in a tentative stage, but as they see it now, they are going to be able to abate the tax rate for the building commission by \$7.00 on every \$100. Therefore, the people will experience a very substantial reduction. This is

the first time there has ever been any kind of reductions of the tax levy.

What are the reasons for Without having to levy a tax. reduction?

Mr. Murrie said, "There are two reasons for such a reduction. The first reason is the increased revenue that the County is receiving under the new Revenue Sharing Plan, and secondly a number of the County Departments are showing an increase in revenues."

Every tax payer will surely benefit from the reduction. As it looks right now the County will

have enough funds to make payment of the mortgages on all of the new County buildings

This is the first year that we have been effected under the revenue sharing plan and so far it has definitely been an asset.

Mr. Murrie commented, "Let's hope that they will continue the Revenue Sharing Plan. Because of the plan the County will receive close to a million dollars. Every tax district will receive some of the funds."

SURVEY (FOM PLETED)

The Insurance Service Office, which is the former Illinois Inspection and Rating Bureau, has just completed an extensive three week inspection of Antioch's Fire Department and all of its assets. The purpose of the inspection is to set the fire insurance rates for the city of Antioch. The findings of the Insurance Service Office will soon be released in a preliminary report, when the final report will be released by the Service is not known.

The conducted inspection was very thorough. They tested the fire pumps to make sure they were up to their original capacity. If a pump is supposed to pump 750 gallons a minute, then it should be working up to that capacity. Two out of three of Antioch's pumps were working up to capacity. The third one, which did not meet standards had already been previously re-ordered, so it was not given much attention by the Service. The Survey checked the total man power of the fire department and their response to fires during the day as well as at nighttime. According to Fire Chief Tod Maplethorpe the daytime response average is better than most departments. Equipment on the trucks was checked as was equipment of the fire building itself. The alarm system and the records that are kept of all fires were also checked. The district was surveyed at the same time as was the building department to see what building codes are maintained, what building inspections are made, etc.

The dispatch center in the police department was checked and so was the water system, including fire hydrants and main valves. The supply of repairing materials were reviewed that would be used in case of a main break or the breakage of a fire hydrant. The water towers were checked for maintainance and for the capacity that they are holding. The wells capacity was also checked as was their reliability. The map of the water system was also up-dated during the time of the survey.

Normally, a survey of this kind is conducted every ten years unless there are some abnormal circumstances involved such as rapid growth in an area.

It is Chief Maplethorp's conviction that Antioch did all right and will receive a good rating from the service. Maplethorp feels that at least we didn't slip back any and the Service seemed to be impressed with the two new units that the department has ordered.

HOW ANTIQCH VOTES RESULTS OF OUR SURVEY

For the last six weeks or so the Antioch News has been running a survey. The purpose of the survey has been two-fold. First of course to indicate the preference of voters in key races. And Second to make a sounding of the issues that are the most in the minds of the electorate and possible policies to be improved. Two-Hundred returns came in and here is how the people of Antioch feel according to the people surveyed.

66 percent prefer President Nixon over George McGovern at 34 percent, 68 percent for Percy over Pucinski at 27 percent. 5 percent of these people were undecided on who they preferred for State Senator. For Governor Ogilvie heads the list with 58 percent in his favor and Walker is a close second at 42 percent.

The rank in order of importance of the most serious issues facing the nation has some interesting results: Viet . Nam was deemed most serious with 37 percent of the votes for first place and 19 percent for the

second place. Inflation was not far beyond Viet Nam in order of importance. 31 percent of those polled felt that inflation was the most serious and 43 percent thought it should rank as number two. Crime was also high on the list, 26 percent thought it was the most serious problem while 17 percent thought that it should rank as the second most serious issue.

Welfare Reform and school bussing to achieved racial balance fell to the bottom of the list in order of importance. Only 3 percent felt that Welfare should be in first place and 12 percent thought that it should be in second. On school bussing 3 percent thought that it should take first priority and 9 percent thought that it should take second.

Political Conventions was the next subject of questioning. 68 percent of those polled were in accord with reforms instituted at both political conventions, 39 percent were not.

The majority of the persons polled felt the current administration has effectively controlled inflation and stabalized the economy with 61 percent in agreeance and 39 percent opposed.

National defense was not neglected. Only 16 percent felt that spending for National Defense should be increased, 43 percent thought that it should be decreased and 41 percent thought that the existing spending should be maintained.

Last but not least, the POW's were not overlooked on our survey. When asked what policy regarding the Viet Nam POW's would most likely succeed, 58 percent though that we should require the return of POW's prior to withdrawl. In contrast, 32 percent thought that we should withdraw first as a condition for the release of POW's. 10 percent of the people held some other opinion.

We hope that this survey has given you some insight into the feelings and the opinions of others. We hope that it will give you an idea on how Antioch will be voting in the upcoming election on how they feel on the very serious issues that are facing our nation. A mighty thanks to all that co-operated in our survey and have made these results possible, however significant they may be.

CONSTRUCTION TIME ROAD

After an eighteen year struggle, Mr. Lloyd Murrie's efforts have come to some avail. Mr. Murrie, who is better known as "Red" Murrie, and who is the Township Supervisor, has been working to have Rte 83 widened and repaired. At last, through his efforts the work has been begun. The Lake County Highway Department is in charge of the project and they will be widening the road three feet on either side. The road is now an 18 feet wide road and thus will be enlarged to 24 feet wide plus the shoulder. The resurfacing and widening is being done from Route 21 to Route 83 and from Route 173 to Pelite Lake road. The construction will hopefully be completed before the snow falls.

Murrie was able to push through the work at this time, since the County was able to pay the whole bill for the work. The State presently does not have sufficient funds to cover the cost. But the County will receive 50 per cent credit on the next State-County Project.

More construction is slated to take place in this area. From

State Farm Fire and Casualty Company

Home Office: Bloomington, Illinois

profile of personal investment guidance: meet the new

man in town

Name: Raymond H. Lewis

Vocation: Guiding investors seeking income and growth.

Representing: The Milwaukee Company, investment banking on the Bright Side since 1904.

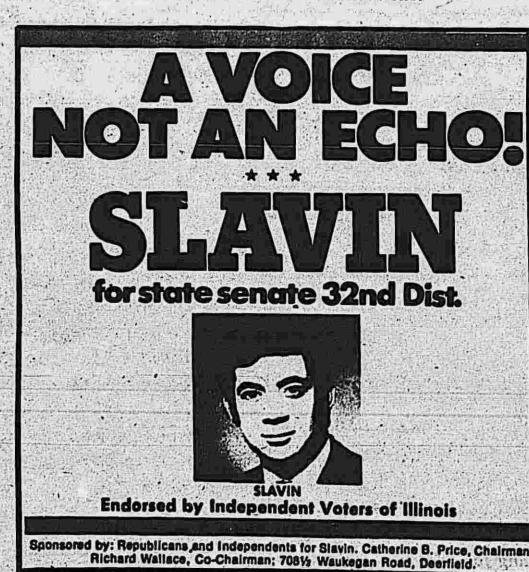

Background: Former Vice-President with a New York Exchange member firm, Registered representative of a N.Y.S.E. member firm for the past six years.

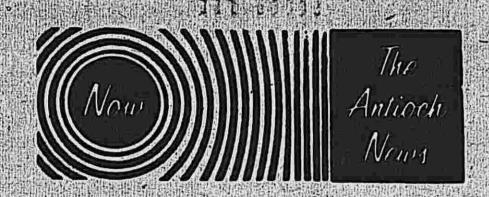

Ray Lewis is indeed a new man in town. And, if you like the kind of guy who stays on top of things to help you handle your investing, it's time you met him. He represents a sixty-eight year old investment banking firm which is a member of the New York, American and Midwest Stock Exchanges. What's more, he would like to go to work for you, assisting in the purchase or sale of stocks, bonds and mutual funds. 'Ray can supply you with research reports on individual stocks and opinions on current market conditions.

So, if you'd like to start investing or if you'd like an opinion on your present investments, you can reach Ray at his office (641-1580) between 9:00 am and 4:00 pm or at his home in Antioch (395-6595) any weekday evening until 10 or on Saturday or Sunday, 9:00 a.m. to 6:00 p.m.

Better yet, clip the coupon to drop Ray a line. He'll

neighborly th	ing to do.		7

Letters to the Editor on any current issues are welcome.

Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Dear Editor:

This open letter to the citizens of Lake County is not being written or distributed on the advice of Jack Hoogasian, the present State's Attorney. In fact Jack doesn't know we are doing this. It is being written in response to charges made in the media by Jack's opponent.

We, the undersigned, are all present Assistant State's Attorneys working in the Lake County State's Attorney's Office. We are also all of the Assistants presently in the office who have worked in the past with both present candidates for the office of State's Attorney. The remaining members of our office weren't even contacted because they have not worked with both candidates.

Since this is so, we feel we are in perhaps the best position to judge who is the most qualified candidate for this office. We fully realize that our actions could affect each of us in any number of ways, but in the best interest of the citizens of Lake County, we feel we must make our opinion heard.

Morale in our office is high, not low, as suggested. All of us have benefitted from and are appreciative of the schooling we have received while Assistants under Jack, who has instilled in all of us the desire of seeing that justice is administered for everyone. Jack's experience in prosecution work is a big plus for the office. Also, Jack is hisown man and won't allow himself to be a pawn or "yes" man for anyone. His conscience is his guide. We are proud to be associated with Jack and we feel the office under him is an office of which to be proud.

..Therefore, we strongly urge all the citizens in our County to re-elect Jack Hoogasian State's Attorney of Lake County.

Sincerely,

Ben Ori, Mike Cummings, Harry Breger, Al Witt, Norm Reese, Bill Marlatt, Tom Lang, John Green, Mike Sieman, Bill Block, Dudley Owens and Ephraim Sayad Commonwers

ANSWER TO KUKLINSKI

Representative W.J. Murphy, replying to an article against him by another candidate, which was printed in last week's Antioch News, states "The poor fellow is trying to find something to make an issue of. My record of service to the people of my District is so good that he cannot attack that - my Voting Record is so good that he cannot attack that - my Attendance at Sessions and Advancement to the Leadership speak of my energy and hard work in Springfield, so he cannot attack that. In desperation, he drags out an old issue, the fact that, 10 years ago, I bought some race track stock.

This subject has been hashed and re-hashed many times. Yes, I did buy some stock, I made no secret of it. I bought it in my own name, sold and accepted a check for it in my own name, and paid the taxes on it. There was nothing illegal or crooked about the transaction. There were no favors promised, no favors granted. I am a security Broker. I also bought Baxter Laboratory Stock and sold it at a profit. I bought insurance Stock and sold it at a loss. We make the laws for the Insurance Companies and the Drug Companies just the same as we do for the Race Tracks. So, what is so upsetting about this issue? In fact, when did it become wrong to make a profit in the good old U.S.A.?

Under the present Ethics Law, it would still be legal for me to buy, own or sell any kind of stock even race track stock!

I would suggest to this man, Casey, that he spend his time telling the people of our District what his background is and what he could do for them, if he were so fortunate as to be elected, and not waste his time trying to tear down someone

I would also remind this man that he will have to know the real issues and the problems of the people if he ever is to reach the stature of being a Candidate that the people might consider voting for.

EDITORIAL

WE ENDORSE

Each election year newspapers throughout the country make it a practice to give their endorsement to certain qualified men who are running for election. This endorsement should represent to the reading public a qualified opinion based on research and a personal contact with each candidate. If the endorsement does not represent the above then it has little merit and may only tend to mislead the reading public.

The ANTIOCH NEWS in its attempt to be of service during this election year decided sometime ago that it would be impossible for our small staff to give a qualified endorsement of a certain candidate in each race, so we have put our efforts into the area which we feel will have the most net effect on Antioch during the coming years.

We elected to focus our efforts on the race for the General Assembly. It will be these men who should have a great deal to do with helping to solve the many problems that will face us during the coming years. The problems of School Finances, Transportation, Pollution Control, General Taxes, and many, many more will fall on the backs of those men we elect to our State government. They must be qualified and have the personal fortitude and integrity to do the job.

For Senator we have decided to endorse the incumbent Senator Karl Berning (Rep.). This was the roughest of the decisions we had to make. It was difficult because both Mr. Berning and his opponent Stephen Slavin are qualified for the job. Both men are personally qualified as well as professionally qualified. The final decision had to be with Senator Berning's experience. We sincerely feel that he is the best man for the job, although you certainly couldn't go wrong with either man.

Selecting the representatives was a much easier job however. If there ever was an outstanding candidate that embodied all of the qualifications and attributes of a perfect representative, Donald E. Deuster (Rep.) would surely be that candidate. You couldn't find a better man for the job. He not only has the experience to stand on, but his personal integrity is without question and tohim we give our heartiest endorsement.

Our third and last vote goes to the incumbent representative Daniel M. Pierce (Dem), for his fifth term in office. His record has been excellent. During his four terms in the legislature he has been active in the fields of water pollution, control of pesticides, special education for handicapped children, and election law reform. Pierce is also Minority Whip of the House of Representatives and a member of the Election Laws Commission and Commission on Economic Development. Following this record the Antioch News sees no indication that Pierce would not continue to serve his district with his past integrity and know how. Therefore, we do not hesitate to give him our support.

If you agree with us, then we are glad. If you disagree with us, that's fine too. Everyone is entitled to their own opinion and convictions just as we are. But, if you don't care one way or another, then we are concerned.

Don't be part of the dead weight or the notorious silent majority of our society. Start caring about the very things that effect your everyday life. If you sit back in indifference you just might see this life, as you know it, crumble. Don't think that your vote is meaningless. It is only meaningless if you make it that way, by not knowing who you are voting for and why. Yes, it is not too late to make your vote count, get busy and know your candidates and then put that knowledge down on your ballot on November 7th.

TIME TO MAKE UP YOUR MINDIN

Election day is only six short days away. By this time you undoubtedly know who you are going to vote for as President. But sadly many an uncaring or simply uninformed voter will complete the rest of the ballot in an unbelievable lackadaisical fashion. He will skim the ballot and put his little "x" besides the name which sounds the most familiar, or the name that has a nice ring to it, or belongs to the right party, or nationality, etc., without any knowledge of the person, the politician that is behind the name. This is indeed very unfortunate. Maybe, you too have voted like this in the past and have selected randomly and blindly the candidates of your choice and maybe later on you wonder how these candidates ever got in to office and you forget that when you were in that little voting booth that their name had a nice ring to it. You swear that you will never vote like that again, but here it is less than a week before elections and you are not familiar with half of the candidates. It's not too late, get out the last couple of issues and catch up on the views of our candidates for election to the General Assembly for the 32nd District and know who you are voting for. This week is the last opportunity that the Antioch News has to ask the candidates pertinent questions that will effect us all if these men are elected. Therefore, we have gone all out and have asked our candidate three questions that are very relevant to us all.

The first question has to do with Centralizing County Government. We asked them,.. "llow do you stand on Centralizing County Government (i.e. "home rule"). The second question along the same lines pertains to the County Wide Sewer Development project, "What are your feelings on the County-Wide Sewer Development Project?" And lastly we asked our candidates why they thought that they are personally qualified to be elected as State Sénator or State Représentative. The following are their answers as submitted to us.

Stephen M. Slavin (Dem) Candidate for State Senator: Centralizing County Government.

With regard to the centralization of County Government, I am in favor of the adoption ultimately of home rule powers for Lake County. As you are aware, the voters rejected home rule in a referendum held on March 21, 1972, and the issue may not be placed before the voters again until 1974.

Home rule offers several definite advantages, in myopinion, which offset the disadvantages. If we work from the assumption that it is desirable to have governmental authority as close to the people as possible, home rule at the County level is an essential factor which cannot be overlooked. Home rule would represent an opportunity toreverse the trend of power continuing to concentrate at levels continually further removed from the voters.

The traditional argument against nome rule, namely that it would lead to higher local taxes, is fallacious. In fact, the contrary result would likely prevail as the County Board

members would tend to be more responsive to citizen concern regarding taxes, and local government hopefully could operate with substantially less patronage and governmental waste than presently prevail at the State level.

Home rule would have the further advantage of modernizing the form of government in Lake County by the election of a county executive to assume the administrative burdens presently held by the County Board members in addition to their legislative duties:

Finally, I would strongly favor the elimination of township governments within the County. These governments have long outlived their usefulness and at this time merely serve as patronage freeholds used to reward the party faithful.

Countywide Sewage Treatment Plan

I favor the adoption of the proposed Northwest Sewer Service Project and am in accord with the proposals of the Northeastern Illinois Plan Commission's recommendations along these lines. All studies indicate that such a coordinated effort is essential if we are to make any kind of progress in reducing the pollution of the Chain of Lakes and the Fox River. The proposal to proceed with the project on a self-funding basis would go a long way toward reducing this pollution and could be done on a revenue bond and fee basis without direct cost to Lake County taxpayers.

It should also be noted in this regard that my opponent voted "present" on a series of bills introduced by Representative John Henry Kleine of Lake Forest, and sponsored by Senator Jack Knuepfer in the Senate, which would have facilitated the creation of the countywide sewage disposal system.

Finally, it should be emphasized that the creation of a countywide sewage system is closely related to the problem of flooding in many of our Lake County municipalities. Such legislation is essential not only to clean up our environment but also to alleviate the tremendous individual hardships caused to-Lake County residents by continued sewer backups during heavy rain periods."

Why I Believe I Am Qualified For The Office of State Senator. I believe that I am the better qualified candidate for this important position by reason of education and experience. I have previous legislative experience both as an elected Trustee of the Village of Deerfield and as a former Administrative Assistant to a United States Congressman.

However, rather than extolling my own qualifications, I believe that the pioneer newspapers summed up the differences between the two candidates in endorsing my candidacy as follows:

"We believe that a district like the 32nd should send a leader to Springfield, a man who keeps in touch with our rapidly changing environment and does not cling to the status quo...Slavin has served impressively on the Deerfield Village Board since his election in 1969. He has shown

himself as an independent thinker, a man who votes his own conscience after doing his homework. We would like to see the young, ambitious lawyer have a crack at the State's problems."

Likewise, Chicago Today in endorsing my candidacy stated that I would be likely "to add more to Senate deliberations than the unimaginative incumbent, Senator Karl Berning."

Donald E. Deuster (Rep) Candidate for State Representative

Home Rule

"On Home Rule my desire is to become known as a pragmatic and problem-solving Republican State Representative. My philosophy is rooted in a preference for local government, limited government and maximized individual liberty and responsibility.

In my view, government on every level must be sensitive to the needs of our people, responsive to their desires, and above all, efficient - that is, our tax dollar must be spent prudently.

Some problems can best be resolved in the home, or by the civic, church and business community. Others may need municipal, township or county action. Sometimes complexity and scope require inter-state cooperation, Federal or international action.

For each problem, my intention is to carefully consider what level of government can best bring a solution. And, whenever in doubt, my preference will be for that level of government closest to the people and closest to the problem. Or, better yet, I would seek a solution through voluntary and private action."

Sewer Treatment on a County-Wide Scope

"As it happens, my family and I reside in Fremont Township on Sylvan Lake in a neighborhood that now enjoys the benefits of a sewer system. Previously, each individual home at Sylvan Lake maintained a private septic system.

Thanks to this wonderful improvement, our lake is cleaner, our air purer and our homes much more liveable. Our sewer system was built with a combination of our private money and government funds and with leadership from the Lake County Public Works Department.

Undoubtedly, many other areas in Lake County, including the Chain O'Lakes region, would be vastly improved by the development of a sewer treatment facility. To the extent that cooperative funding by the State of Illinois and the Federal government is involved, I shall support this action as a high priority.

Some level of government must take the leadership in this situation, and due to the area-wide scope of the matter. Lake County is an appropriate entity. I am, confident that the details of management and control of the project can be resolved in a satisfactory manner.

My family and neighbors in Sylvan Lake are much better off because of our sewer system, and I would hope that such benefits can be broadly extended throughout the beautiful

AMPLE FREE

PARKING

lakeland in northwestern Lake County."

Personal Qualifications

"One great joy of my ten years of legislative laboring on Capitol Hill was the privilege to come in close contact with some of our nation's eminent leaders, and to observe their personalities.

In addition to my admiration for the fine and good men under whom I served, Congressman Robert mcClory, Secretary of Transportation, John Volpe, and President Nixon, I was expecially fond of the late Senator from Illinois, Everett McKinley Dirksen.

Senator Dirksen once remarked that a good legislator must develop five personal qualities: First, a sense of history; second, a sense of humility; third, a sense of honor; fourth, a sense of honesty; and fifth, a sense of humor.

My hope and ambition, if privileged to serve you in the Illinois House at Springfield, is to emulate and reflect in my legislative work the personal qualities which were articulated and exemplified in the life of Everett Dirksen."

Daniel M. Pierce (Dem) incumbent candidate for state representative

Home Rule for County Government

"I favor the principal of home rule for county government, but feelthat the legislature must further implement the constitutional provision with clear statutory language detailing the exact powers of home rule government units. I believe county government could be

more effective and meaningfull if it had home rule powers. especially in the fields of flood control, sewer plant construction and highways."

County-Wide Sewer Development ...

"It is my belief that future sewer development should be on a regional or county-wide basis. It does not make sense for each subdivision or small village to have its own sewer treatment plant when a modern, efficient sewer plant could be built on a regional basis more economically." -

On Being Qualified to be Elected

"I feel that my four terms in the Illinois House of Representatives, including two years as Minority Whip, have given me the experience and knowledge to be an effective legislator for Lake County. I believe I can fight effectively for our schools. mental hospitals, and to improve our environment based on my experience, leadership. and attention to the problems of my district over the past eight years.

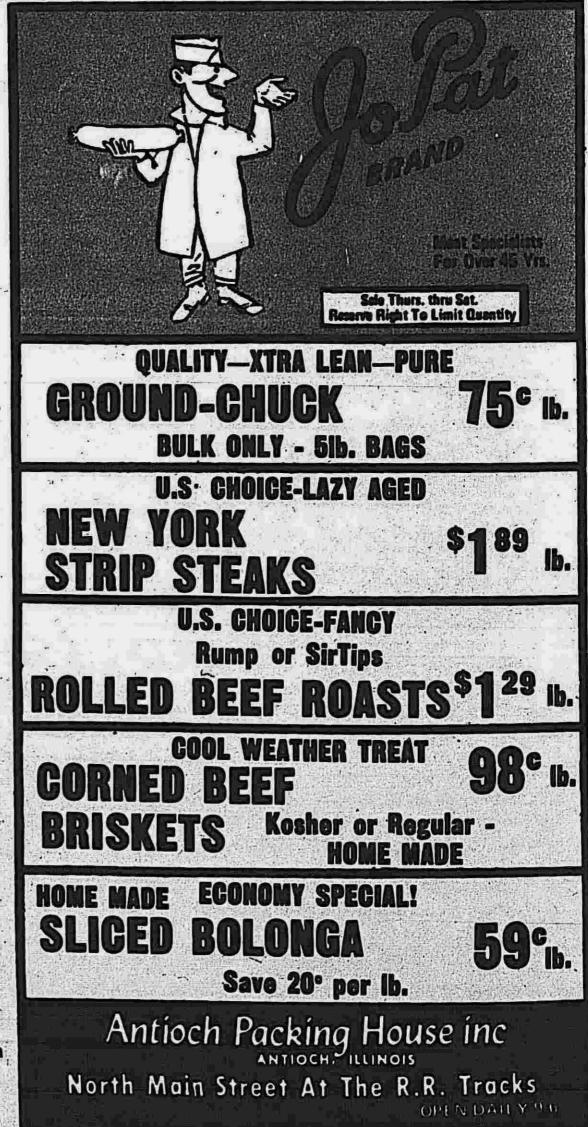

Casey Kuklinski (Dem) Candidate for State Representative Home Rule

Centralizing of county government should be left up to the people. Since the people voted down "Home Rule" overwhelmingly the last time, because the legislators did not have strict tax ceilings, and well defined rules. Justifiably who wanted to give a small governing board a lot of power without giving the citizens, safe guards to prevent over taxations and other burdens without

CHANNEL LAKE MOVIES BECIN

The after school movies have begun at the Channel Lake School again. On November 6, the movie "Lassie's Great Adventure" will be shown. Cost of the full length feature is 50 cents. Parents should make arrangements for their child to get safely home. Preschoolers are welcome if accompanied by parents.

The movie was scheduled on the school calendar for November 7, but due to the 7th being voting day, the movie date was changed to Nov. 6.

REMEMBER TO VOTE:

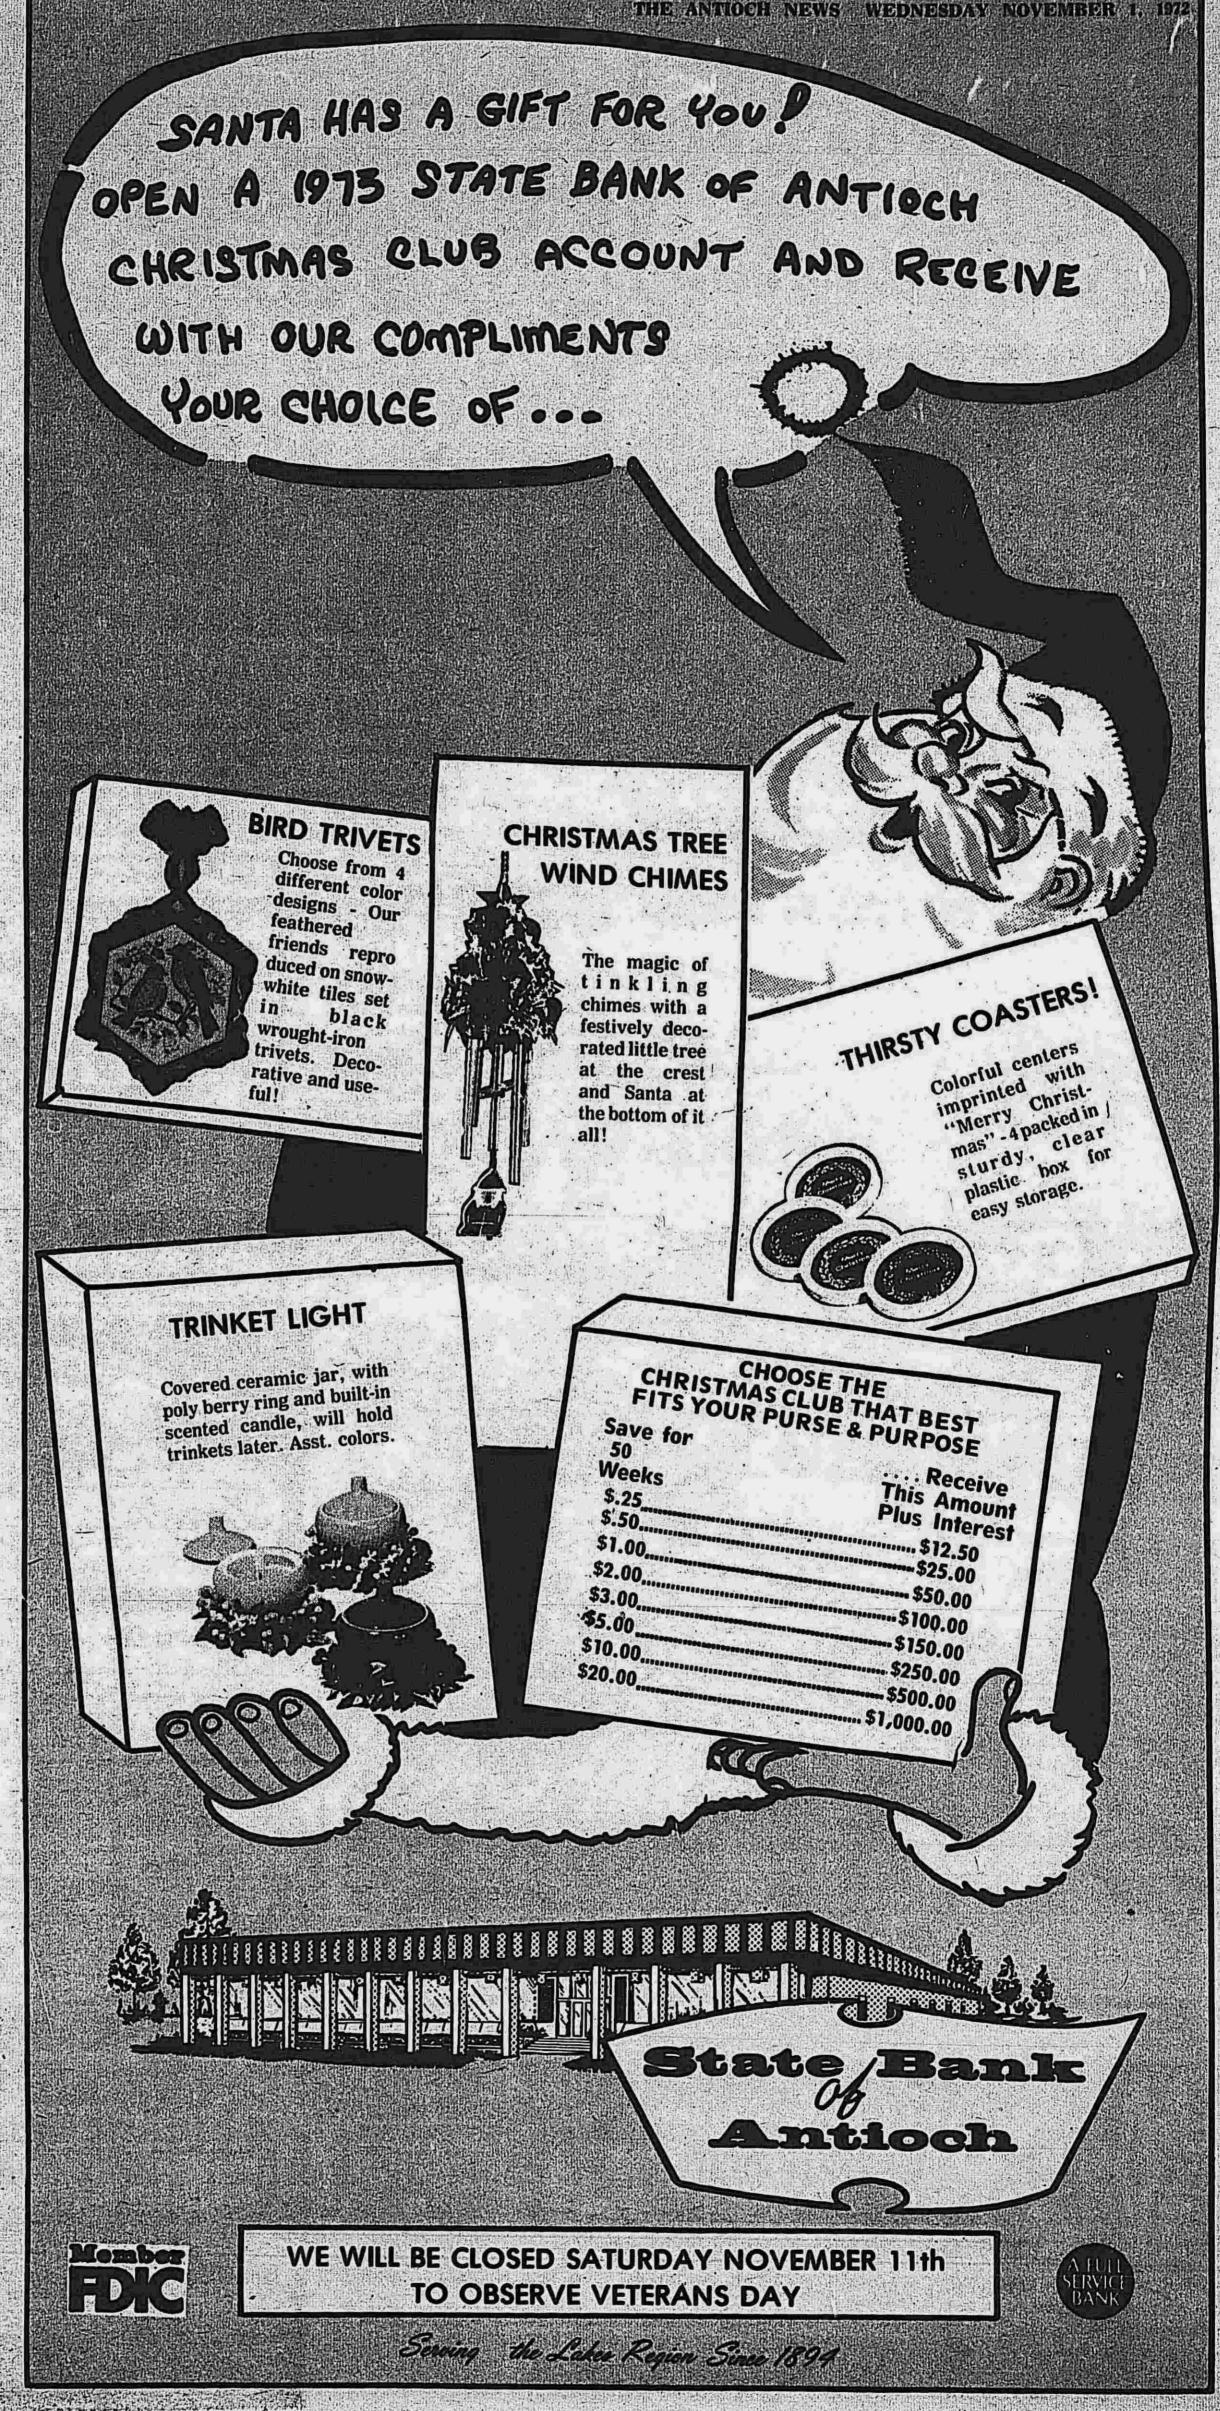

There are many things thatare helpful to know before you get to the voting booth this coming Wednesday. The most important and obvious thing you must know is who is running for what. You will be electing more than the President and Vice-President of the U.S. You will be electing a U.S. Senator; A Representative to Congress for the 12th and 13th Congressional Districts; The Governor and the Lieutenant Governor of the State of Illinois; The Secretary of State: the Attorney General; the Comptroller; and three trustees of the University of Illinois. A State Senator will be elected in the 2nd, the 31st, and in the 32nd legislative Districts; and three State Representatives in each of the Legislative Districts.

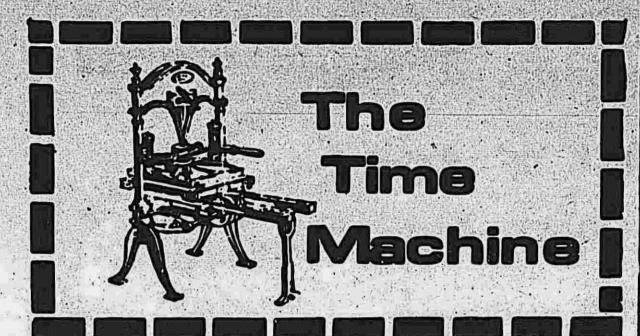

It is also important to know where to go to vote. In the Antioch, Township voting will take place at THE ANTIOCH VILLAGE HALL, 847 MAIN STREET: THE SCOUT HOUSE, NORTH MAIN STREET: LOTUS SCHOOL, GRASS LAKE RD., GRASS LAKE SCHOOL, GRASS LAKE ROAD: CHANNEL LAKE SCHOOL, LAKE AVENUE, AND EMMONS SCHOOL. HIGHWAY 59 AND BEACH GROVE RD.

Don't put off voting, because you have no way to get to the polls on the 7th. You are in luck, for the first time ever, you need only dial 362-0030 and tell the Lake County ALERT Operator, where you live and your township and precinct number. Before you know it, a car will be at your front door and you will be taken to the nearest polling place. The driver will also wait for you while you vote and will then return you to your home again after you have voted.

It is also important to know that Lake County uses the Vote-O-Matic punch card method of voting. It is a fairly easy method and is thoroughly explained in the Voter's Information Guide that was distributed with the paper on October 11th. If you make a mistake be sure to get your doubts clarified and ask for a new ballot. A mistake can easily cancel your vote. Be sure to follow instructions.

If you are working on November 7th, your employer must give you (if you need it) up to two hours from your working day to vote in your own precinct polling place. If you will be out of the County on that day and will be unable to vote in your precinct polling place, you may vote by absentee ballot. All township offices and Village and City Halls can supply you with the necessary information.

70 YEARS AGO, OCTOBER 30, 1902

Wayne Pullen returned to Antioch Sunday, having spent the summer in Indian Territory. He will probably remain here during the winter.

Election is next Tuesday and let Antioch township sustain her record and let every Republican turn out and vote.

Sunday morning about 9 o'clock the large ice house owned by Esch Brothers and Rabe at Loon Lake was totally destroyed by fire. Loss of some \$50,000. Eight freight cars were burned along the ice house.

50 YEARS AGO, NOVEMBER 5, 1922

Chief Halloween prank this year seemed to be rolling the barrels of tar, used on the new road, down Main Street, soaping windows. It was a very mild year.

Antioch Chapter O.E.S. Holds 23rd Anniversary party. Mrs. Selter, Worthy Matron was given the task of cutting the birthday cake.

Lake Villa School is getting a new set of Zane Grey's Books and a group of reference books. Marie Nader is president of the library.

25 YEARS AGO OCTOBER 30, 1947

American Legion post is planning an Armistice Day Program for students at the High School on November 10th.

Lake Villa- Mrs. Martha Madsen, Mrs. Lottie Barnstable and Mrs. Anna Martin visited Mrs. Johnson near Zion on Tuesday.

Bob Kufalk and Bresily Bratrude will take part in the 11 o'clock morning worship service at the Methodist Church Sunday.

10 YEARS AGO, NOVEMBER 1, 1962

The Dr. Kopriva's and the Pres Reckers had the unhappy adventure of traveling to Champaign to watch U.S.C. down the Illini 28 to 16. Doc and Helen had a chance to visit with daughter Phil, that made them smile again.

Oto Hanke honored with potluck dinner for his 89th birthday. Officers for the 1963 Little League season were elected. E. Dotson is president, G. Volling, Vice president and G. DeBoer, secretary-treasurer.

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, it you have a memorable photo to share, bring it in to the office.

McDonald's Helps With Christmas Shopping

The more than 100 McDonald restaurants in Chicagoland are offering customers a head start with their Christmas shopping by selling Ronald McDonald dolls between Oct. 27 and Nov. 26. The Libertyville McDonald restaurant at 1330 N. Milwaukee is the nearest in our area.

The colorful dolls of the famous clown with his red hair and candy-striped sleeves and leggings sell for \$1. No purchase is necessary.

The Insurance Service in the last stages of their survey check the fire equipment for correct adequecy, function and capacity. The survey has now been completed and the results should soon be in: (Staff Photo)

MINWEST BINK SHOW

The Mink Breeder's Association of Illinois will be holding their Second Annual Live Mink Show at the Lake County Fairgrounds in Grayslake, Illinois on Saturday, November 4, 1972, from 9:00 a.m., to 5:00 p.m.

Entries of live mink brought in by ranchers all over the midwest are expected for the one day show.

A "Fashion Show" will be presented in the afternoon of the latest styles in mink garments.

There will be no admission charge.

WEATHER DIDN'T DAMPEN WALK-A-THON SPIRITS

"I can't believe I walked the whole route;" the girls shouted happily as they skipped through a water puddle at the College of Lake County.

Their exclamation summarized the feelings of all those who marched Sunday, Oct. 22, in the 15-mile walkathon for Lake County handicapped. Despite a drizzling rain which continued throughout the day, 500 students and adults from every corner of the county participated in the walk sponsored by the Lake County Easter Seal Society.

Marchers returned to the college wet and tired, with sore feet and aching muscles, but with a great sense of pride in what they had accomplished. Through their efforts, an estimated \$15,000 will be contributed to the Society to help speed resumption of services to handicapped persons in Lake County.

The first walker to leave the college was Fox Lake Mayor Joseph Armondo with a total of \$107 pledged per mile. Blistered and bandaged, he returned five hours later, his morning's work worth \$1,605 to handicapped children and adults.

Although Allan Divoky and Brian Mussared, both students at Round Lake High School, left the college an hour after Armondo, they were the first to return having run the course in approximately two hours.

The youngest walker was an 8 year old boy while the oldest was in her mid-sixties. The majority of marchers came from nearby communities although one was a resident of Arkansas who was here visiting a friend. Whether they were young or not so young, came from near or far, ran or walked the course, all the marchers had one thing in common: they cared about persons less fortunate than themselves and they wanted to demonstrate that feeling.

"We appreciate the efforts put forth by everyone, those who walked and those who worked at the checkpoints," said walkathon committee chairman Wendell Clark upon completing the march.

"Anybody who would come out on a day like that.....well, all

I can say is God bless them."

The Lake County Society, an affiliate of the Illinois and national associations for crippled children and adults, operates and maintains the Easter Seal Therapy Center in Gurnee. Due to insufficient

funds, the center was forced to suspend speech and physical therapy in June, Clark said.

"All monies earned by the walkers will remain in Lake County to help reinstate the suspended therapy programs at the center," Clark said.

Richard Olson, who was the first to complete the Walk-a-thon on October 22nd, receives double the amount that was pledged by his sponsor, the First National Bank of Antioch. (I to r) Mr. LaVerne Woods, Bank President and Richard Olson. (Staff Photo)

Along the Way with

Annie Mae

Mrs. M.M. Stillson had a telephone call from her husband in Zagreb, Yugoslavia informing her that their daughter, Dee: Hauser had a baby boy on October 19th 7lbs 6oz and 50 centimeters long. He is Michael Andrew Hauser, Jr.

Mrs. Stillson's sister Evelyn and her husband Dorwin Robinson of San Fransico California and her sister Virginia Shepherdson of Sioux Falls, So. Dakota spent a week in Antioch and at Whitewater Lake. A family reunion was held at the lake with Melfred's families of DeKalb, Illinois. The all made a trip to Horicon, Wisconsin to see the geese.

Hope your still not confused because you forgot to set your clock back Saturday night. It worked fine for many people who were out partying. One extra hour cf fun and sleep. Speaking of parties, Bill and Ann Haley and Pete and Glenda Thomaschtik hosted a combination scavenger and treasure' hunt. Ten couples went out at 10 minute intervals and had to hit every spot to complete the treasure hunt plus pick up such items as horseshoesk, a feather, dill pickle, Coors Beer can, (not available in Illinois - just the western states, but Team No. 4 got it - empty!) and the lists went on and on.....

Earl and Bernice Pape hosted a party for their many friends in honor of their 25th wedding anniversary on Saturday even-

ing, also.

If you were in town Saturday after the football game, you knew the SEQUOITS got a victory!! And if you were in Wauconda after the game, you wouldn't know which player was which! The mud puddles all over the football field played havoc with the Sequoit "white uniforms." But it was worth it, as the Sequoits beat the Bulldogs 20-14. Go get Round Lake next week. The last game of the season, and it will be held at the Antioch Football field. First game at 12 p.m. - Be there!

Get well wishes to Joan Toft who recently underwent surgery at Condell Memorial Hospital. Hope you will be up and around soon.

Don't miss a very important PTA meeting this Wednesday eveing at 8 p.m. at the high school. Everyone is invited to come and listen to Dr. Forgus noted psychologist from Lake Forest College who will speak on "Why Can't Parents and Teenagers Communicate?"

Some fellas played a trick on Bill Georgeson by "borrowing" his hot dog wagon and hauling it to the residence of Frank and Louise Johnson and locking it to the TV tower Guessthey figured Frank could sell hot dogs to help make the mortgage payment on his brand new home!!

November birthday wishes go to Karen Anderson on the 2nd,

SUCCESS BIKE-A-THON

Last Saturday, October 28th, the American Cancer Society held their first National Bike-A-Thon. Lake County had 300 participating riders, who raised from \$11,000 - \$12,000. Antioch really carried their own weight in the Bike-A-Thon. Thirty-one riders from Antioch followed their designated route despite the falling rains. Because of their efforts they were able to raise \$1,200 in pledged money to be given to

the American Cancer Society. Antioch should really be proud of these riders and grateful to the generous people who sponsored them:

Fifty-per cent of the cyclists were between the ages of 12 and 16. The ride was not easy for them as many met with flat tires, "wipe-outs" and falling rain. There were some older participants too, some belonged to bibyble clubs and were able to travel the 40 mile route in record breaking time. The cancer society had a truck on each route to help those who needed assistance in any way.

The Bike-A-Thon was such a success that it is thought that it will be held again next year and will eventually become an annual event. The Bike-A-Thon will probably meet with some revisions, however, routes may be changed, etc., which should make the next one better than

Laurie Poulos on the 3rd and to Lucille Kiechenmeister on the 6th.

Anniversary wishes go to Bonnie and Mike Gembara who can go and vote on the 7th and then celebrate.

Millie and Harold Gaston of

A&B Printing and former owners of this newspaper finally took a breather. Taking a long weekend - they went to Virginia to visit relatives and see the sights.

Our condolences to Trudy Mann whose husband passed away recently.

Don't forget to vote on Tuesday, November 7th.It is your privilege and duty.

See ya at the Polls!

Annie Mae

FRED STURM ATTENDS **BANKING SEMINAR**

Fred W. Sturm of the First National Bank of Antioch, Illinois, is attending the Sixth Seminar for Young Men and Women in Banking, being held this week at Ball State University.

Eighty-eight registrants from 25 states are attending the Seminar coming from New **England to the Rocky Mountain** States and from Minnesota to the deep South. The registrants are young officers in various size banks.

The five-day Seminar is sponsored by the Independent Bankers Association of America. Dr. Robert R. Myers; faculty lecturer in general business administration at Ball State, is Seminar director.

GROVE SCHOOL RECOGNITION

Mr. M. David Cain, President

of the Grove School Board of Directors extends a personal invitation to all the friends of Grove School to attend a Harvest Recognition Dinner Dance on Friday, November 3, 1972 in the east ballroom of the Ramada Inn, Highwood. It will be an occasion for great Thanksgiving. The Board of Directors will acknowledge the donors of gifts which put over the matching fund drive, of \$162,500, concluded in May, for the new residential building to house 48 handicapped students. Mr. and Mrs. James W. McEnery, Lake Forest, will entertain with a medley of songs. Cocktails will be served at 6:30 p.m. followed by dinner at 7:30 p.m. The evening will be concluded with dancing to the Gene Fors Orchestra. Call the Grove School, for information and reservations, at 234-5540. Mrs. Lowell Goone, Skokie is general chairman of the event. Members of her committee are. Mrs. Arva Leesley Wallace, Waukegan, Mrs. Charles C. Searles, Wilmette, Mrs. E.H. Volwier, Lake Forest, Mrs. Gus Gorgan, Waukegan, Mrs. Jack Winters. Lake Forest, Mrs. Louis E. Corrington, Jr. Lake Forest. Mrs. Richard Evans, Chicago, Mrs. William H. Paulsen, Wadsworth.

REPUBLICAN **COFFEE A SUCCESS**

Last Tuesday, October 24, at 10:00 a.m., Mrs. Edmund Vos and Mrs. W.C. Petty, with the assistance of the Women's Republican Club, held a very, very successful coffee hour. Seventy-five to eighty people attended. Also in attendance were all of the county candidates including: Jack Hoogasian; John Darrow; Stephanie (Pucin) Sulthin; Oscar A. Lind: and Frank J. Nustra. The two state representatives, W.J. Murphy and Donald E. Deuster, State Senator Karl Berning and the candidate for representative in Congress, Robert McClory also were present. Many of the wives of the candidate's attended.

The coffee hour was held at the W.C. Petty home, 1038 Spafford St., Antioch. A special thanks to all who made the hour successful and to those who took Several teachers are offering advantage of this opportunity to

LA LECHE LEAGUE MEETS

The La Leche League of Lake Villa and Antioch will meet at 8:00 p.m., Wednesday, November 8 at 908 Sir John Drive, Lake Villa.

Topic for discussion will be "Advantages of Breast Feeding to Mother and Baby". Babies are always welcome, as well as any women interested in learning more about the art of breast feeding. For more information, Call 356-8381, 395-6081 or 223-5861.

BOOK REVIEW FOR WOMAN'S CLUB

The next regular meeting of the Antioch Woman's Club will be on November 6th. The program will be a book review on "The Honorable Mr. Marigold" by Orpha Wardle, a professional book reviewer. Her manner of presentation is most interesting and those who have heard her wish to hear her again and again. This will be Guest Day so members are urged to bring a guest to enjoy Mrs. Wardle.

ANNUAL TURKEY DINNER AND BAZAAR AT SALEM CHURCH

The Women's Society of Christian Service will be sponsoring their annual Turkey Dinner and Bazaar at the Salem United Methodist Church, Salem, Wisconsin (Highway 83 to 85th st.) on Saturday, November 4th. The Bazaar starts at 2:00 p.m. and the Dinner will be served from 4:00 to 7:00 p.m. Besides the Bazaar, the Bakery Booth, Snack Bar and Candy Booth will be featured. Tickets may be purchased at the door. The public is invited to attend.

NEWCOMERS CHRISTMAS DECORATIONS PROGRAM TONIGHT

The Antioch Welcome Wagon Newcomers Club will hold it's monthly meeting for November, tonight at 8:00 p.m. at the Methodist church. We have a real treat for the program. Miss Eileen Jensen, who has appeared on television with this same program, will present to the Club Christmas Throughout the Home". This should be quite appealing with the holidays so close. Please feel free to bring along a friend or neighbor. The Newcomers' will be most happy to see you.

On Wednesday, November 8th, we are planning a trip to Lee Wards. This comes just a week later, after our meeting, so all the ladies can make the pretty things shown by Miss

Jensen. For information call Joanne Bell - 395-6733, or Lillian Nannini at 395-3352.

The Arts and Crafts group are planning a tour of the Home Extension group, which will have a showing at the Lake County Fair Grounds - November 1st from 10:00 a.m. to 9:00 p.m. Betty Baker is on hand with more information for you. Call her at 395-3650. Arts and Crafts will also hold a class in driftwood, given by Norma Gavinmhel at her home. This sound interesting. For information call 395-6851

The Newcomers wish to acknowledge the Girl Scouts Rummage and Bake Sale being held Nov 3 and 4 at the Scout House.

\$20.00 Savings Bonds: Ann Simonsen, Cathy Houlihan, Laura Dubek, Margaret Purfleerst, Don Purfleerst

\$10.00 Savings Accounts: Laura Sankey, Ricky Ranney, cindy Irmen Kitty Purfleerst, John Rohde, Jeff Steitz.

\$2.00 Savings Accounts: Riccarda Janka, Joy Belcher, Richard Myra, Bob Gallimore, Darlene Olsen, Beth Dubek, Marjorie Sinclair, Denise Sabar, Tessie Myra, Bill Dubek, Bradley Knutsen, Calvin Knutsen, Randy Larsen, Sandy Olson, Harold Simonsen, Sherry Irmen, Janet Bajek, Ray Kane, Joy ossman, Colleen Roach, Darryl Sankey, Michelle Wolf, Charles Janka, Darryl Portzen,

ANOTHER FIRE IN ANTIOCH

The Expanda Foam Inc. of 966 Anita Street in Antioch was the victim of a fire early last Wednesday morning at 12:45 A.M. An estimated \$500.00 damages was done to the roof of the building as a fire broke out due to a wooden header around the chimney. The header in all acutality should have been of a metal contsruction. Because of the headers construction a fire broke out as the broiler stack caught on fire. Damage was not done to any of the contents of the building. No one was injured as a result of the fire. The building is owned by E. J. Oftedahl.

reat Garla ina- Sanko prerade ughughnger

Robert Otterson, Theresa Bicanic, Tim Murphy, Jennifer Garland, Greg Mitchell, Edison Sankey.

Honorable Mention: Vicki Wiegert, Kim Zobus, John Steitz, Scott Eichler and Robin Eichler

CARTER TALKS ON TAXES

Antioch may be a small town, but it is filled with distinguished people and Weld S. Carter is one of them. Who is Weld S. Carter?

WELDS CARTER

He is the Executive Secretary of the Committee on Taxation, Resources and Economic Development, and a very delightful person to say the least. He is witty, intelligent, industrious and sincere and that is just for a start. He is also 72 years old and is still going strong, with no future plans for retirement in sight. Mr. Carter used to be a farmer in Lancaster, Penn., until he became interested in economics, an interest that would change his whole world.

Here is an example of how an election can change your life, even if the candidate of your choice does not win. In 1940 Wendel Wick was Mr. Carter's favored candidate for President. When Wick lost, Carter felt it was because the people just didn't understand At about the economics: same time a free course in economics was offered in his area. Carter thought that the courses sounded as if it had a communistic tendency and signed up for it to check it out and to protect the people of his community. To his surprise the course was not communism, but rather it was freedom". He found the course to be of great excitement and from there took two more similar courses. After each course his interest in economics increased as did his knowledge. He then took several teaching courses so that he could put his knowledge to work. In 1953 he was asked to ioin the staff of the Henry George School in Chicago. He taught for three years and then returned to his farm in Lancaster. In 1957 the Robert Schalkenbach Foundation

asked him to make a tour of college campuses to find out how much interest they had in the teachings of Henry George. (Henry George is the famous economist, who wrote Progress and Poverty in 1880. His book seeks to answer the question, "Why in the midst of everything growing plenty, does poverty exist and indeed flourish?". This is still a pertinent question today as are the writings of Henry George). Carter talked to the Professor after professor at college after college and again his knowledge of economics increased. He spent four enlightening years on the road and in 1962 the Foundation called together a group of interested academic men and held an exploratory conference on "Land Value Taxation and Contemporary Economic Problems." The conference was a great success and in January~ 1962 the Committee on Taxation, Resources and Economic Development (TRED) was formed. Carter was appointed Executive Secretary of the Committee and found himself right up their in the big leagues with some of the most prominent professors ofeconomics our country has known. This year the Committee held their 11th Annual Conference on October 20-22 at the University of Madison. "Property Taxation and the Finance of Education" was the topic under consideration as the Committee considered, among alternatives, a state administered property tax, or a state administered land value tax, in place of present local property

education. TRED is an association of academic economists whose purpose is to stimulate research, writing and discussion in the important but neglected field of natural resource taxation in the relation of such taxation to other concerns of economists as, for example, the allocation and utilization of resources, economic development, income distribution and employment. TRED sponsors annual conferences arranges for publishing literature arising from these conferences. As a result of these conferences five books have already been printed and three more are on their way.

tax, for the finance of

Carter said, "The real purpose of the Committee is to develop literature, which will be used as the basis of University teachings for public finance in

PLAN COMMISSION HOLDS MEETING

On October 26th, a regular meeting of the Plan Commission of the Village of Antioch was called to order by the presiding Chairman Bob Bemis. During the meeting two special committees were appointed. The first committee consisting of members Margaret Nelson, Jerry Rockow and Bruce Jablonski will review and recommend revisions in the Sub-Division Ordinance.

The second committee, which consists of members Ronald Vos, Dale Frasch, and Lester Zitkus, will review parking space required by the Zoning Ordinance in Commercial and Multiple Districts.

Next month's meeting date was re-scheduled. The commission will meet onNovember 30th instead of the scheduled date of November 23rd. The change was made to accommodate the upcoming holiday.

the field of property taxation."

Maybe you will never get to meet or know Mr. Weld S. Carter, but his efforts just might reach you. He is helping the public to be better informed, which just might cause enough enlightenment to straighten out the many snags and inequalities in our tax system.

READY FOR FALL BAZAAR

Lillian Burnette, chairman and Olive Hallwas co-chairman of the Sequoit Auxilliary VFW Fall Festival Bazaar is busy pricing items ready for November 3rd and 4th sale which will be at the State Bank of Antioch. (Staff Photo)

SASO FOR UNICEF

The students, teachers, and office of the Antioch Methodist Church Sunday School wish to send a big "Thank You" to all the people of the community who contributed in any way to our most successful UNICEF drive - with your help and cooperation we were able to collect \$460.

FOR VARIETY SHOW

Tickets are now on sale at the hospital and auditions are continuing for the St. Therese Hospital Winter Variety Show, scheduled for Mother Leonarda Hall Auditorium on Saturday, December 9 at 8:00 p.m. St. Therese is located at 2615 W. Washington, Waukegan.

Proceeds from the show will be donated to either a priority hospital project or to some local charity.

The revue, which will feature top "New Faces" and talent from all over the Chicagoland metropolitan area, including Lake County, is being hosted and produced by the Hospital's **Employee Public Relations** Committee.

Bill Morris of Radio station WKRS will act as master of ceremonies.

Some acts are already scheduled to appear in the show, however, Sister Maryann, administrator of the hospital, indicates that auditions will continue in the Auditorium, just west of the main hospital building every remaining Saturday in Oct., and on Saturdays Nov. 11 and 18 from 9:30 a.m. thru 2:00 p.m. Singers, instrumental groups, specialty acts, combos, dancers and other people who have had some degree of stage experience as entertainers are welcome to try out. Experienced professional personnel will judge the presentation.

Waukegan and surrounding area residents who have performed as individuals or as part of a group act, are requested to audition for the show by calling hospital Public Relations Department Tuesdays and Thursdays from 9:00 a.m. to 5:00 p.m. at 688-2804.

The project is aimed at greater community and employee relations involvement. It is the hope of the hospital that, if successful, the event can be staged once or twice a year, and serve as a showcase for both new and unsung talent.

Tickets will be \$2.00 to the general public. \$1.50 for hospital employees; and \$1.00 for children (under 12)

OAKLAND SCHOOL BUS ACCIDENT

At 8:20 on Thursday morning one of the Oakland Grade School busses was involved in an accident as it traveled south on Deep Lake Road. The bus . brakes gave as it tried to stop at the intersection of Rte 173 and Deep Lake Road.

According to the Lake County Sherrif's department, the driver, Mr. Frank Muller, applied his brakes upon approaching the intersection and when he found that they were not catching he sounded his horn and passed on through the intersection. The bus with it's failing brakes crashed into the side of a 1967 dodge that was driven by Mr. Leonart Byrnteson who was injured in the collision. He was taken to the Antioch Medical Center for treatment. None of the 50 students that were aboard the bus at the time of the crash were hurt.

NEW VOLUME PUBLISHED BY AMERICAN BIBLE SOCIETY

"Wisdom for Modern Man," containing the books of Proverbs and Ecclesiastes, has been published by the American Bible Society in Today's English Version. The complete Bible in this common language translation is scheduled for publication in 1976.

Proverbs and Ecclesiastes are two Old Testament books in the Bible classified as "wisdom literature" because of their down-to-earth recognition of the practical, everyday concerns of man.

The volume, a paperback, is graphically illustrated by 11 black and white drawings by

CHRISTIAN SCIENCE **CHURCHES**

God's everpresence is brought out in the Lesson-Sermon entitled "Adam and Fallen Man". In Isaiah 9 we read "The people that walked in darkness have seen a great light"...

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "Truth destroys falsity and error, for light and darkness cannot dwell together".

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 A.M. Everyone is invited to attend.

ACHS PTA NEWS

The Antioch Community High School PTA board held a planning meeting last Wednesday evening to set the November 1 meeting up. Also, it was discussed that a By-Laws committee be selected to up-date the by-laws.

A Nominating committee will be chosen at the November 1' meeting. It will be necessary to appoint a delegate to the Illinois Congress of Parents and Teachers, Lake County Council, District 26.

The fund raising event of the year as of yet has not been decided upon. Our committee hopes to meet with the A Club to set something up.

Everyone was reminded to attend the PTA meeting Wednesday evening at 8 p.m. in the High School Commons to hear Dr. Forgus speak on the though provoking question: "Why Can't Parents and Teenagers Communicate?"

Everyone is welcome.

James Howard of Leonard, Minn.

"Wisdom for Modern Man" can be obtained from the American Bible Society, 1865 Broadway, New York, N.Y 10023, for 10 cents per copy, plus 5 per cent handling charge (minimum 25 cents).

The American Bible Society is a nonprofit organization founded in 1816, whose aim is to translate, publish and distribute the Scriptures, without note or comment, to people everywhere in a language they can read or understand at a price they can afford.

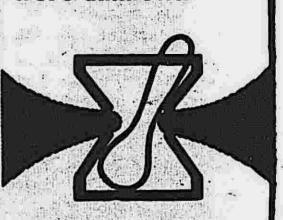

"An Answer to Violence"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

5:00 am. - WLS 6:45 a.m. - WEMP-Wis 7:00 a.m. - WJJD-AM 9:30 a.m. - WAIT 8:30 a.m. - WJJD-FM

By: Taffy Engelhardt

Let's hear it for our great football team who pulled a victory over Wauconda at the Saturday game. Score, Antioch 20 - Wauconda 14. We played a strong game, featuring touchdowns by Charlie Chapman, Glen Amundsen and Tom Pfaehler. The team and fans were very happy and excited. The team didn't seem to care that they were drenched in mud and the coaches were indescribably enthused with this victory. Don't miss this week's game when the Antioch Sequoits will slaughter 'Round Lake.

The JV football-basketball cheerleaders were present at last weeks pen club meeting to teach the members some of their old and new cheers. Maybe that's why we won our game last Saturday! The pep club will soon order pom poms to show their spirit at basketball games and wrestling matches.

Congratulations to Lesley Shaeffer, a freshman, who is a new member of the JV wrestling cheeleading squad.

Student Responsibility is again getting under way. Pictures will be taken this week, costing \$1.00 for the Student Responsibility button.

As walking by the Home Ec stairway a few days ago, I was immediately hit by a delicious smell of homemade muffins. I found out later that the freshman Home Ec class has been cooking breakfasts. They have already made a small and large breakfast and muffins. They made a variety of muffins, such as plain, blueberry, cherry, cinnamon, nut, filled with jelly and chocolate chip." Later on in the year, of course, they will be doing more advanced cooking and sewing. Right now these freshmen are looking forward to baking Halloween cookies and a Christmas Tea.

Lately I've seen many seniors buried in books. Mr. Corrigan's English IV class has been reading The Oedipus Plays of Sophoeles, The Greek Way, and some background books such as Tragedy and Philosophy On Aristotle and Greek Tragedy, Classical Drama, Greek and Roman and many others. Reading widens your knowledge and ads growth and maturity of the mind. In J.C.'s class, it is important not to fall behind.

Mr. Curtis' government class has been experimenting with a new type of grading system called Contract ABC. In this system you make a decision on whether or not you want to take the A Test, B Test, C Test, or D Test. Of course, these differ in difficulty. If you choose the B Test, for example, you can get only one of two grades. If you get a score of 70 percent or above, you receive the B. If you get below 70 percent, you

"SEQUOIT HAPPENINGS"

receive an automatic F. This leaves you with a big decision. Should you choose a difficult test and risk the chance of getting an F, or should you choose an easy test and risk the chance of getting a really good grade. The choice is yours.

I'd like to encourage everyone to come and support our football team at the last game of the year this Saturday, at home. Football is coming to a rapid close - next week I will have some reactions from people concerning this year's football season.

Time: What's It Worth?

Have you noticed any sleepy-looking students walking down ACHS halls? Most likely you haven't. That's because of the new school hours. School now starts one half hour later and closes 25 minutes earlier. So now we have virtually one additional hour's time off of the regular school schedule.

The hour comes from the free time a student used to have last year. This year there is no free time whatsoever. Some students don't miss this free hour. But these students usually played cards and goofed around during their free time.

What about those who do miss this hour? These are the students who used the library and resource center for study. Now they have a hard time gathering materials for study, for the teachers usually assign homework that requires research in the library or resource center.

Do you think these students would rather have more time for sleeping or more time for improving grades?

Janet Crichton

Chase?

You probably heard over the radio about the rock group "Chase" playing at Wheeling High School. Well, you heard wrong and if you want, you probably know what I mean. To give credit where credit is due would be to 9/10 of the entertainment, the warm-up group. They played a 60 minute set. This group from North Chicago not only had variety and drive but also had a down-to-earth routine which got everyone going.

Now, after about a 45-minute change over (supposedly 30) comes on "Chase" with a four trumpet, one moog, one bass, and one lead guitar and drumgiant jam session. And that's just what it was, with new music in hand plus a "we just finished at 7 o'clock this morning" explanation they played. From the organization sound of it, they should have worked til 8 o'clock or better.

Steven D. Patwell

HOMETOWN NEWS

KAREN BECVAR

Karen Marie Becvar, of 220 7th Ave., Rte 5, Antioch has been nominated for election as Homecoming Queen this week at Illinois Benedictine College in Lisle.

Miss Becvar, a junior majoring in medical technology is a graduate of Antioch Community H.S. She was one of 18 Illinois Benedictine coeds nominated for the throne. She is the daughter of Mr. and Mrs. Robert Becvar.

The queen and her escort reigned at the traditional Homecoming football game on Saturday afternoon, and at the semi-formal dance held on Saturday night.

JAMES SHEEHAN RECEIVES PHD

James Sheehan, son of Mr. and Mrs. Elmer Sheehan of lake Villa, was recently granted a PHD in Matallurgical Engineering from Renssleaer Polytechnic Institute, Troy, New York.

After a short visit with his parents, Mr. Sheehan, his wife Jane, and their son Matthew, will make their home in North Augusta, South Carolina, where James has accepted a position with DuPont.

Mr. Sheehan, a 1962 graduate of Antioch High School received a BS and MS from the University of Wisconsin at Madison and worked at Ford Motor Company, Detroit, Michigan before beginning his doctorate program at R.P.I. in 1969.

DR JAMES BERKE OPENS ORTHODONTIC OFFICE

Dr. James B. Berke, D.D.S., M.S., is opening an office to practice orthodontic in Woodstock, he announced today.

His office will be located at .13711 Kishwaukee Valley Road. he and his assistant, Mrs. Lois Chisholm, a myofunctional therapist, will have office hours each Tuesday during the day and evening. Hours of service will expand as needed although a 12-hour answering service will provide prompt contact should the occasion be necessary.

A native of Antioch, where his father Adolph was a prominent physician, he was educated in Antioch schools. He then attended the University of Illinois where he obtained his DDS degree in 1968, and his Master's Degree in 1970.

The 32-year-old doctor began practicing and teaching in August 1968 after obtaining his Illinois dental license. Since March 1970 he has conducted an orthodontic practice at Lisle and is on the graduate teaching staff at Loyola University. Dr. Berke and his wife, Eileen, have three children: Andrew, 4½; Sherri, 2¼; and Alana, 9 months.

KAREN SHEEHAN BEGINS STUDENT TEACHING

Karen Sheehan, daughter of Mr. and Mrs. Warren B. Sheehan of Grand Avenue, Lake Villa is among twenty seven Cornell College Seniors who are doing their student teaching this semester at 17 public and one private school in Cedar Rapids, Iowa City, Anamosa, Monticello, West Branch and Mt. Vernon. Karen, will be working in Monticello High School in the English Department.

Each student will work in the classroom of a certified teacher who will serve as cooperating teacher. The students who are working for certification in secondary education had a three day period of orientation and observation during the first week in September. All 27 Cornell Seniors will student teach until December 15.

Cornell is accredited for the preparation of elementary and secondary school teachers at the bachelor's degree level by the National Council for Accreditation of Teacher Education (NCATE). Dr. Melvin Hetland is chairman of the teacher education committee...

BRUCE W MARSHALL.

Navy Seaman Bruce W. Marshall, husband of the former Miss Bonnie L. McBride of 617 Balmora Blvd., Lake Villa, Ill., graduated from recruit training at the Navel Training Center in Great Lakes.

ARIES (March 21-Apr. 20): An excellent week for blossoming out on the social scene. If you've been in a spat with a loved one, now is the time to make up. Best days this week are Tuesday, Wednesday. Give full expression of your artistic talents in decorating, fashion.

TAURUS (Apr. 21-May 20): Financial pressures could ease through a raise or other new source of income. Buckle down to business and your dedication could pay off. Show more understanding and sensitivity to close friends or loved ones. A good time to shop for bargains.

GEMINI (May 21-June 21): Take more interest in civic projects or church activities. New projects started this week favors new beginnings. Get plenty of rest this weekend. Overall, a week of harmony and possibly exciting associations for those born under this sign.

CANCER (June 22-July 21): Take care of your grooming this weekend. Possibility of a surprise visit or meeting with someone you've known a long time. Don't let disappointments make you moody. Better days are just ahead! LEO (July 22-Aug. 22): Take care in all financial dealings and pay heed to any

advice from a relative or close friend. A good weekend for travel, short visits. But exercise caution while driving. Monday and Tuesday should be good days.

VIRGO (Aug. 23-Sept. 22): Your naturally friendly nature can smooth over difficulties with friends or associates. Lift your spirits this weekend with a shopping trip or an evening out. Someone close to you would appreciate a little more thoughtfulness. Financial prospects are on the unturn.

more thoughtfulness. Financial prospects are on the upturn.

LIBRA: Time to get back into the routine, concentrate on work. Moon in your sign first part of week indicates possibility of new responsibilities, greater prestige in work or outside activities. Don't procrastinate about that difficult task. You'll feel better with a sense of accomplishment.

SCORPIO: Take care of health and you'll be ready for a more active social life this weekend and in the days ahead. Watch your budget to avoid financial problems. Complete any left over repairs or decorating projects around the home or apartment. A break from routine indicated Tuesday or Wednesday, perhaps through a short trip.

SAGITTARIUS (Nov. 23-Dec. 21): A new romantic interest could improve your spirits this wack. Problems that have been bothering you seem less important. An excellent week for starting new projects or seek greater economic opportunity. Co-workers likely to be cooperative and helpful.

CAPRICORN (Dec. 22-Jan. 29): Stick to whatever needs doing on the job or in school work so you won't feel guilty about taking time out for recreational and social pursuits. A new dress or outfit could help you make a good impression with new friends or associates, especially latter part of week.

AQUARIUS (Jan. 21-Feb. 18): Extra care while traveling is the only way to avoid

accidents that could disrupt a pleasure trip. Romantic aspects good this weekend. Accept all social invitations. You just might meet someone special! PISCES (Feb. 19-March 20): A good weekend for sprucing up around the home or shopping for new apparel. Don't be afraid to express yourself in creative ways. You have hidden talents that can bring recognition if developed to the utmost. Work aspects harmonious all week.

ARRANGING THE PALETTE AND SOME HINTS ON MIX-ING COLORS......There is a logical arrangement for placing colors on a palette, based on the arrangement of colors in the spectrum of natural light, the rainbow. We can see yellow as the lightest color and violet the darkest with the other colors arranged graduating in shade between. Besides this logical grouping according to values, nature has also divided them into two groups, warm and cool. The warm colors are the yellows, oranges and reds we associate with sun, fire, and sand; the cool colors we see in ice, water, and sky, that is the greens, blues and violets.

Here is the color wheel with the colors placed in the same logical arrangement as the rainbow.

The Primary Colors must be bought as we cannot get them by mixing. But we arrive at the Secondary Colors by the mixture of the primary colors: Y+RO, R+BW, B+YG. Artists pigments come with complicated names, though, such as Ultramarine Blue, Veridian, Burnt Sienna, etc. But the artist thinks of them in their simple terms when he is mixing them. So now arrange your palette in the same way as the color wheel. When you have more than one kind of a color, such as Cadmium Yellow Light and Cadmium Yellow Medium, put the lighter one nearer the white.

With this arrangement we can see what colors are opposite each other, by drawing the straight lines through the center as was done on the color wheel above. Opposite colors are called complements, and we learn to mix complements to darken each other or to make a black. You needn't buy a tube of black for oil painting, for we can

mix Ultramarine Blue and Burnt Sienna to make black. (Burnt Sienna is a brown, and brown is the same as dark orange, the complement of blue). Another good combination for black is Veridian and Alizerine Crimson. Mix both these combinations and compare the resulting blacks. Add white to them and see what the difference in the resulting grays would be. In painting it is great' to be able to get a variety of blacks and grays, more redish, or brownish, or whatever. Avoid buying any violets at first as these do not mix well with other colors and you might get muddy results. To darken yellow, since you won't have violet, its complement, use Yellow Ochre, which is a dark yellow, or use a black made with the Ultramarine Blue and Burnt Sienna combination. The neighboring colors on your palette can always be used to darken or lighten each other if you want to keep brilliant colors.

Now some thoughts on the warm-cool quality of colors. In landscapes we use the principle that warm colors advance and cool colors retreat. That means keep the yellows and reds in the foreground and the blues and violets for the distance, as hills and sky. Make green grass get bluer gradually as you paint into the background. Another point to learn-outdoors the lights are cool and the shadows are cool. In painting portraits, warm colors for flesh tones are more healthy and alive. The addition of cool colors has to be done extremely careully, or else the subject will look sickly. To make a color warmer, just add yellow or red, whichever is best. To make a color cooler, simply add blue or green, whichever suits best.

And as a last big hint, always put out a full palette of colors and in sizeable amounts, not just the colors you think you will need immediately, nor just a tiny dab. You will then be able to use all the colors freely and make more interesting variations. You will avoid that paint-by-number look. You will paint with heavier gobs and add interesting brush strokes to your work. Any left over paint is never wasted as you can freeze oil paints on a TV Dinner tray which you put in a tightly sealed baggy, and they thaw immediately at room temperature.

NEW RESIDENTS CAN VOTE IN PRESIDENTIAL ELECTION

A special Presidential-Vice Presidential only ballot will be available for the November 7th election to voters who fall into specific categories, Grace Mary Stern, Lake County Clerk announced today,

"In the past," said Mrs. Stern, "anyone who moved from their voting precinct during the 30 days preceding an Election was automatically disenfranchised because it was too soon for them to vote in their new area, and their residency at their registration address had terminated so they couldn't vote there."

The Voting Rights Act Amendment of 1970 stipulates that no citizen of 18 years or more, shall be denied the right to vote for President and Vice President. The Illinois legislature has not actually implemented the various parts of that amendment, but in a opinion rendered October 21st, the Attorney General advised County Clerks to comply with the Federal Act in order to forestall any possible claim of invalidity against the November 7th Election. "This Clerk has been in a fever of activity ever since we received the opinion," said Mrs. Stern. "We've had to design and print special ballots and special applications and affidavits."

Those who may now vote for President and Vice President only are: (1) registered voters who have moved out of their precinct (whether out of county, within the county or out of state since October 8, 1972. 2) All citizens, 18 years of age or more, who are unregistered. and 3) Non-resident citizens, temporarily living outside the territorial limits of the United States whose last residence was within Lake County. The last category of voters was previously enfranchised by the Legislature and Mrs. Stern says a number of applications have been received and the ballots sent as requested.

In-Person balloting for those who answer the descriptions given above, will be available in the County Clerk's Office in Waukegan (at the County Building, Washington Street) from 6 a.m. to 6 p.m. on Election Day. These special ballots will not be available at the Precinct Polling Places, Mrs. Stern emphasized.

Absentee application for the special Presidential-Vice Presidential Ballots are available upon request from the Clerk's Office. Upon receipt of the completed (and notarized) application, the Clerk's Office

VOTE DEMOCRATIC TUESDAY, NOVEMBER7th

> Advertisement paid by: Pierce Campaign Committee Charles Lappen, Chairman, 424 Green Bay, Highland, Park, III.

With a Stern Eye

If I thought I could achieve a sense of historical perspective in the midst of the pre-election madness that surrounds me, I would write a nostalgia piece sprinkled with bittersweet human interest stories - of the past two years. On November 3rd I will have survived two lumpy and uneven years since I was elected. We weren't really inaugurated until December 7th, a morning which marked Pat Clavey's first official act as Sheriff. Within seconds of the oath-taking, he cleared the County Building and undertook a search for the reported bomb.

Talk about an opening gun! We started out like Gang Busters by flying in the face of tradition and all previously issued edicts - we opened the office on Saturday mornings. My fellow officeholders found it a trouble-making precedent, and so it turned out to be. Several of them have had to open Saturdays since then, by fiat of the new and more vigorous County Board.

We abandoned at once, the practice of giving out sacks of gift soap products to the nuptial couples who throng our Marriage License Bureau: we felt this was unbecoming commercial traffic, and besides it turned out that the soaps provided were phosphate-producing.

We started employing woman deputies at the counter; we redesigned the filing system which had been a random sort of 'hide-the-document' affair; we instituted competitive bidding on all sorts of items and services that previously had been ordered direct from a known source. We began investigating funds which had lain unclaimed and idle in the redemption account for many

knowledge of and firm control over its cash flow. Not only that our check book books balance!

All this itemizing and listing of changes we made, niggling and otherwise, is intended to give an idea of the ferment and excitement of those early months. But the real action took place in the Elections Department.

We spent the first year implementing a vast registration drive. It was the stated purpose of our administration to make it nearly impossible to remain unregistered. Registrars were deployed throughout the county with their kits and card tables. Many more were located in permanent sites and an effort was made to equalize the party representation among them. We told ourselves that by making registration constantly available and convenient, we would avoid that frenzy of activity just before each election. We would have a slowly increasing wave of registration activity, we said, instead of a plateau and a peak. Not so. We had instead, a slowly increasing wave of activity followed by a mountain.!

In November 1970 the total Lake County registration was 143,900. In June of 1972 when we mailed out new registration cards to all voters, the roll was 165,000. The Post Office returned better than 16,000 of those cards to us: 'undeliverable as addressed'. This is the manner in which we purge our files of the names of those who have moved or died. So then - starting with approximately 150,000 on July 1st, we find that as we close our books in preparation for the upcoming presidential, our total number of registered voters is just about 183,000.

The three elections held in the Spring of '72, all within two months, were a nightmare for us novices. Like every other aspect of local government, running elections is strictly on-the-job training. I remember noting that I had lost 5 lbs between 5 A.M March 21st and approximately the same hour on the 22nd.

Fortunately as we approach the big one, a week off, we have the confidence acquired through the bone chilling Spring. Absentee ballots are up to date - nearly 10,000 in the mail already. Undaunted we are lining up the ballot boxes, the binders, the supply boxes, the newly painted precinct signs - getting everything ready to be looked.

Mr. and Mrs. Keith Mead of Racine Wisconsin were the guests of honor at a 16th wedding anniversary party held Friday night at Mr. Wonderful's Oakland Resort: Fourteen of the Mead's friends, the men all employees of Charmglow, were on hand to help the happy couple celebrate. Everyone there fell in love with the beautiful new rain lite that Steve has mounted over the

center of the bar. It is really a

there now on Saturday night and from all reports are very entertaining.

Happy birthday to Jimmy Gutowski who celebrated his 12th on the 30th and to Kim Conklin who celebrated her 10th on the 25th. Many happy returns you two. Also celebrating her birthday on Monday was Channel Lake's fifth grade teacher Marge Girten.

Returning Sunday after a week long hunting trip in Wyoming were John and Marge Runyard along with their sons Doug and Tom and Rich and Kathy Behrens. All had good luck and returned with their deer.

The Channel Lake School PTA has changed the children's after school movie date to Thursday, November 2, at 2:45 p.m. The movie "Lassie's Great Adventure' will be shown and the donation is 50 cents per child.

Pre schoolers accompanied by parents are welcome and parents must provide the childrens transportation home.

A surprise birthday party honoring Dee Navik was held Saturday night at the Joe Gutowski's. Guests included the Jim Boarini's. Bernie Schnieder's. Ed Lindstrom's. Gene Barths. Lenny Ryden's. Don Bjork's. Bill Portalski's and Lillian Smith. The party was a big surprise and truly enjoyed by the guest of honor.

The Upper Grade Schoo took part in a Cross Country match held at the Antioch High School last Thursday after school. Taking a first place in the 8th grade group was Bill Harland while Gary Bailey placed 9th in . the 7th grade and Don Behren placed 12th with the 6th grade.

Nice running boy's. Let me know the news.

Louise

MICHAEL J HOWLETT

Auditor of Public Accounts

Michael J. Howlett is now in his 12th year as Illinois Auditor of Public Accounts. Of 238 men who have served in seven existing constitutional offices since Illinois became a state in 1818, only 10 others have served as long in the same office.

He is the only Auditor in Illinois history to be elected with Governors of both parties.

Since he took office as the 24th Auditor of Public Accounts, he has earned recognition from newspapers, civic groups and professional organizations for efficiency and economy in government.

During his first administration he reduced the cost of his office 20 per cent below the budget voted him by the legislature and returned more than \$600,000 to the state treasury.

Since 1961, Howlett has returned to the state treasury more-than \$1,171,354, saved for the taxpayers from funds appropriated to operate his office.

He campaigned successfully for new legislation that extended mandatory requirements to all units of local government.

When he ran for re-election in 1968, he was endorsed by more leading newspapers throughout the state than any other candidate.

During World War II he served in the U.S. Navy. As regional director of the Office of Price Stabilization during the Korean conflict, he smashed a sensational horsemeat racket.

From 1952 until his election in 1960, he was vice president of Sun Steel Company. In 1956, he initiated an investigation of the State Auditor's office that led to uncovering the Hodge scandal.

Throughout his public life, Mike Howlett has worked to bring economy and efficiency to government. To bring government closer to the people he has spoken to religious, civic and professional groups in every area of the state.

Auditor Howlett is now a candidate for Secretary of State. He has been endorsed by leading Illinois newspapers, including the four major Chicago dailies. He is the first Democrat endorsed by the Galesburg Register-Mail in its 105 year history.

LAKE COUNTIANS PURCHASE \$775,900 SERIES E BOND

Lake County residents purchased a total of \$775,900 in Series E and H United States Savings Bonds in the month of September according to Richard F. Kennedy, Waukegan, Illinois and Richard D. Newland volunteer county chairmen of the Savings Bonds Committee.

Purchases in the State of Illinois were \$29,993,423 according to Clarence S. Sochowski. North Central Market Director. for the Department of the Treasury's Savings Bonds Division. This is 22.5 percent above Septémber 1971.

Illinois sales accounted for 6.4 percent of the national total of \$472,000,000. As of the end of September, holdings of Series E and H bonds and freedom shares were \$57.2 billion, an increase of \$3 billion since last September.

american legion auxiliary news

"National American Education Week was commemmorated from October 22nd.through October 28th" states Mrs. William O'Neill, Lake Forest, District Auxiliary Loan, Educational and Scholarship Chairman of the 10th District American Legion Auxiliary." This is the time for the Auxiliary to acquaint high school seniors and the general public of the many scholarships available to them through the American Legion Auxiliary".

At the state convention of the Auxiliary, held at the Sherman Hotel in Chicago, last July, 26 such scholarships were presented to 26 high school graduates throughout the state. William Schultz, Jr. of Wadsworth, a Zion-Benton High School graduate was one of the fortunate recipients.

"National Education Week is sponsored by the National American Legion, the National Education Association, the National Congress of Parents and Teachers and the United States Office of Education" Mrs. O'Neill points out, "and it's purpose is to increase public understanding and appreciation of the schools and to secure civic and community support for measures to improve them."

Mrs. O'Neill reminds the Units that they should be sending in their contributions to the Illinois American Legin Auxiliary Loan, Education and

Scholarship Fund. She stresses the fact that there are two sections to this program. There is the auxiliary loan fund, where eligible high school graduates may obtain loans to further their education. In the other section, many scholarships are available through the Auxiliary Educational Scholarship program. A Unit cannot sponsor an eligible high school graduate for either a loan or a scholarship unless they have made donations to both of these funds.

There are three types of scholarships available to -daughters of deceased veterans. Ten National President's Scholarships of \$1,500.00 each (two given to each of the five national divisions) and ten Illinois Opportunity Scholarships of \$600.00 and \$350.00 each. Scholarships are given on the basis of financial need, good character qualifications and scholastic ability.

Scholarships of \$200.00 each are given to daughters of living veterans of World Wars I and II, the Korean Conflict and the Vietnam War. Also, there are scholarships for véterans of World War II, the Korean and Vietnam Conflicts who are accredited high school graduates and are in need of financial assistance to further their education. The maximum amount given is according to funds available for this purpose. Two awards of \$500.00 each were given two veterans in this

category last year.

Nearly all Units purchase copies of "NEED A LIFT?" a brochure that was compiled by the national American Legion with the assistance of over 200 other national organizations, is revised annually and released when school starts each fall. The American Legion estimates that the contents of "NEED A LIFT" could lead students to sources of scholarships, loans and part-time jobs to assist them in the forthcoming year in excess of three billion dollars.

Worthy students wishing more information regarding this scholarship program should contact Mrs. Lillian Hand, the Antioch Unit Auxiliary Loan, Education and Scholarship Chairman.

The 10th District American Legion Auxilliary will be holding their fall meeting at the Antioch American Legion Home, at 8:00 p.m. at the Antioch American Legion Home. Mrs. John L. Horan, President, will conduct the meeting.

Sequoit VFW Auxiliary and the Antioch Unit jointly purchased a large American Flag, to adorn one of the walls of the gymnasium of the Antioch

Upper Grade School. On Tuesday, October 24th, the Americanism chairmen of both organizations, Mrs. Ray Rathmann, Antioch American Legion Auxiliary; and Mrs. J. Morin, Sequoit VFW Auxiliary; presented the flag to the school at their P.T.A. meeting. Mrs. Joseph Gutowski, PTA President, accepted the Flag on behalf of the school.

Mrs. J.L. Horan reminds members that they are hosting the 10th District Auxiliary meeting, November 8th, at the Antioch Legion Home at 8:00 p.m.

CAN EXERCISE BE INJURIOUS TO YOUR HEALTH?

"Can Exercise Be Injurious To Your Health?" will be one of the key topics of discussion at the 16th Annual Douglas BoydMemorial Lecture, Nov. 14 at the Highland Park Country

Speaking Tuesday evening will be Dr. John P. Naughton, Professor of Medicine, Director of Rehabilitation Medicine, George Washington U., Washington D.C. and Dr. Alberto Goldbarg, Assistant Professor of Medicine, Univ. of Chicago, Pritzker Scholl of Medicine, Chicago, Ill. will be the guest speakers. Dr. Naughton will discuss the Pros in the role of exercise in the treatment of heart disease and Dr. Goldbarg will take the negative stand. Invitations to this lecture have been sent to some 1700 physicians in the Chicagoland area inviting them to attend the lectureship.

The late Dr. Boyd was born and reared in Griffin, Georgia. After undergraduate work at the University of Georgia he entered Harvard Medical School and graduated in 1922. He interned at Peter Bent Brigham Hospital at the Boston Sanitorium then took residency at the Rockefeller Hospital, later a Surgical Residency at the Lakeside Hospital in Cleveland. He was an Associate in Medicine at Northwestern Univ. from 1931 to 1946. He was a Fellow of the American College of Physicians. He came to Highland Park in 1932, where he practiced medicine until his death. He was Past President of the Lake County Medical Society, an office he held with distinction. He was on the 224-1210 prior to noon on Executive Committee of High- Monday, November 13.

land Park Hospital for many years, both during the formation period and the last decade of greater development. He had been Chief of Staff and for the last four years of his life wasChairmanof the Department of Medicine. He was an excellent executive, intensely interested in the welfare of the whole organization. During those busy years Dr. Boyd still found time to devote to work outside the hospital. He served as President of Family Service of the City of Highland Park and also served as Health Officer. At the time of his death he was on the Advisory Board for the North Shore Mental Health Clinic.

Dr. Boyd's widow, and his family established the Douglas Boyd Foundation and held the first Douglas Boyd memorial Lectureship in 1947, the first anniversary of his passing. Many well known physicians from throughout the country have participated in this program each year. The Lectureship is now a cooperative effort on the part of the Boyd Foundation, Highland Park Hospital, the Lake County Medical Society, and the Heart Association of Lake County. Because this is the 50th Anniversary of the founding of the Chicago Heart Association and in keeping with the Golden Anniversary programs the golden Anniversary Professional Lecture Program of the Chicago Heart Association has been invited to participate this year.

Reservations for this lecture can be called into the Heart Association of Lake County -

'216,352.75 IN ANTIOCH MAIL

Yes. \$216.352.75 is presently in the mail addressed to all of those who took part in last year's Christmas Club sponsored by the State Bank of Antioch. These people decided how much they would set aside for next Christmas, and the appropriate amount was taken out each week. The amount can be anywhere from 25 cents to \$20 a week. If you save 25 cents a week for fifty weeks you wind up with \$12.50 to spend for Christmas, \$3.00 will bring you \$150, and \$20 a grand total of \$1.000.

If you wish that part of that \$216,352.75 were yours this year. don't make the same mistake next year. You can join next year's Christmas Club right now and you will also have your choice of several fine gifts just for opening a Christmas Club Account.

ALERT HELPS GET **VOTERS TO POLLS**

Grace Mary Stern, Lake County Clerk, issued a reminder today to all residents of Lake County, that they can get to their polling places on Election Day no matter where they live or if they have a car. available.

"We have been offered the services of as many radio-controlled automobiles as we need for Election Day." said Mrs. Stern. Lake County Alert a loosely organized tand absolutely non-partisan) group of 'Good Neighbors' have offered themselveds for the entire day. to drive voters to their respective polling places and return them to their homes.

"It's the first time this nationally based group has been

used this way, and maybe it will become a nation-wide service. We're lucky that the Lake County organization thought of it first. It will mean a great deal to those who do not have automobiles and who must rely: on others to take them to vote. All they will have to do on Tuesday November 7th, to insure that a car will pick them up, is to call the magic ALERT number. It's 362-0030. The operator who answers the call will forward it to a car in the area - and the caller will be whisked to the polls."

It looks as though no one will be able to say "I just wasn't able to get to the polls" on November 7th.....

continued

strong representation and-or recourse."

County Wide Sewer Development

"My feeling on this subject is of great concern. We do need positive control for present and future sewer developments. First, to improve our environment properly. Secondly, to insure proper growth for the increase of population and those without proper sanitation in our area. Rates must be more equitable on a county basis, not as they are now, each area being charged a different rate. Thirdly, the manner in which our zoning, planning, building and sanitation is being instituted at the present time, needs Calrification as to what our priorities are going to be.

Why I Feel Qualified for State Representative

"Being involved with the problems of the people in the area and the county, I am qualified. I have been closely associated with the issues effecting Lake County citizens.

In the past I have worked with local government (county) and state government. Being adviser-at-large to Homeowners' Organization of Wildwood, I have a close involvement with the people, and hope to have the same if elected. I will be an instrument of the people I represent.

I seek the vote of the people in the 32nd district, as they have not had the representation they deserve in the past. I will not send out a form letter to my constituents, as has been done in the past. I will work closely with those who present the issues to the General Assembly.

I will devote full time, in an honest sincere way, so that those I represent will not question my character. I have only the interest of the people in my district, diverting full time to the 'business of the people.' My soul desire is to represent the people of the 32nd district, this is my area, my home. Personal gain is not my purpose.

Now that I have, for the past twelve years, been involved with the problems, I want to go to Springfield and do something about them. 12

W.J. Murphy (Rep.) Incumbent for State Representative
Why I feel Qualified for State
Representative

"To start with, I like people - I like to visit with them. I have always been interested and concerned about other people's problems. It gives me real satisfaction and a real purpose in life to be able, especially as their Representative, to be of service to people. I consider it very necessary for a good Representative of the people to have compassion for the other man as one of his characteristics. I believe that I have demonstrated this over the span of 18 years in which I have served this District. When I talk

to someone and hear his problems, I really listen - I am not just being polite or political, I am really interested.

In addition to this, I have been an active resident of this county. for the past 40 years. I have been in many lines of endeavor, most of them quite successfully. I have a wide range of interests, from Real Estate, to Banking, to Resorts, to the Retail Business, to Sports including golf, hunting, fishing, and all types of Athletics; consequently, I have become personally acquainted with the problems in all of these fields and many more, in our County and our State.

Home Rule

"I, for one, opposed Home Rule for the County Government last spring, because it was a mis-use of the nice word "Home Rule" and is, instead, Centralization of Government. Thank the Lord, this time our people listened and defeated it.

Years ago, I opposed taking away our local Tax Collectors. The propaganda then was that this would save us money. It hasen't, it has cost a great deal more money! I opposed Judicial Reform. The propaganda was that this would speed up Court Cases and, again, save us money. It didn't! It has cost us more money and only succeeded in taking away our right to select our own judges.

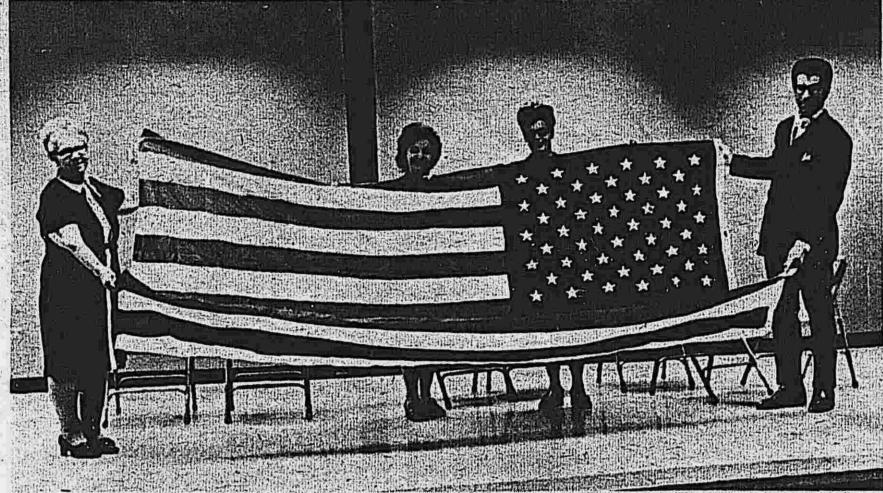

Revenue Sharing now by the · Federal Government is hailed by many as a great thing. What is so great about it? Whose money are they sharing? Our money! Only, we pay in fifty dollars and they give us back one dollar. The rest gets lost in between. Worse than that, is the fact that when the Government gives us money for anything they also, then, tell us how we must operate. They care not four our individual opinions, our local officials' opinions, our likes and dislikes, or even our rights!

My belief and philosophy is that the Federal Government was created to be responsible only for Interstate problems and problems the State cannot solve for itself. The State Government should be responsible only for what the Counties cannot do alone for themselves. The County Government should do only what the Township cannot do for itself.

We must stop Centralization of Power, Centralization of Government, if we are to remain a free people - if we are to follow our original concept that the people should govern and not be governed.

County-Wide Sewer System
"One example where the

"One example where the County Government has a reason and a right to act is on our Sewage Problem. This problem is too big and has too many ramifications for any Municipality or any Township to be able to handle for itself. In getting rid of the waste and effluent, they must cross

Florence Morin, VFW, American Chairman, Eunice Rathman, American Chairman, American Legion, Louise Gutowski, APT President, Antioch Upper Grade School and Mr. William Herbst, principal of the Upper Grade School accepting giant American Flag that will hang in the school gymnasium. (Staff Photo)

Township lines, County lines, and even State lines. This, then, becomes a County and a State problem. We can never be a healthy, fine area until we have a County-wide Sewerage System of properly built facilities which will efficiently treat waste so that, upon its eventual discharge, it will not pollute our lakes and streams. It is necessary that we systematically plot our course on this vital subject, co-ordinate the plans, share the expenses and, in getting rid of our waste, do so in a manner which will best keep our environment clean.

"So," says Representative Murphy, "while opposing Centralization of Government, I do also support a County-wide Sewerage System, done in a co-ordinated systematic manner."

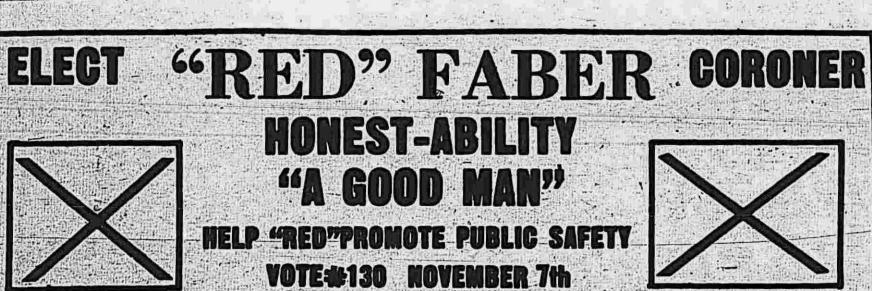

We hope that our questioning of the candidates has been a great benefit to you and that they will help you to vote with greater precision. Good luck and see you at the polls.

Karl Berning (rep) incumbent candidate for State Senator.

We are sorry to say that we did not receive Senator Berning's answers on time for publication. The duties of a

Senator are many and this is, needless to say, and especially busy time of year, so it is probably excusable, but very unfortunate that we cannot supply you with his views at this critical time.

MARION "RED" FABER

Marion G. "Red" Faber, Candidate for Coroner, contends the people of Lake County have had so many years of mediocre government and elected officials perpetuated in office through party obligation, that they have little knowledge of what good, honest government is like. "Many people say all politicians are corrupt, or all government is inefficient, but I won't believe it for a minute." "It doesn't have to be that way," says Red. "Unless the voters in this country begin ticket-splitting for quality candidates in both parties, they will never know how much better their government might be.

The Coroner's office can be an efficient, useful service to the public. It should bemaintained to help save lives! I would much. Ginn, 212,181,222 - 615

When Buying A New Car. Should You Get A vinyl Covered Roof?

A vinyl covered roof is standard equipment on some cars. On others, it's optional. Its chief purpose is as an appearance or dress-up item. It makes the car look different than a standard sedan or hardtop.

A small case could perhaps be made for its temperatureinsulating and noise-reducing values, over a conventional metal roof.

Your own personal taste and desire will have to decide this choice.

Should you get a special appearance or protection group?

Many models now offer these separately or in combination. They may include, special protective moldings for body-side areas, bumper guards, special paint striping and decoration. Some of these groups include both exterior and interior items. It can pay you to check over the groups offered with the model you've selected, and see what comes with each package.

A protection package may prove to be a good investment if you live or drive in an urban area, or park in close quarters.

Whether or not you want a special appearance group is a matter of individual desire.

12th ANNUAL SKI SHOW

The Waukegan Ski Club will sponsor their 12th Annual Ski Show on Friday, November 3, at the Homer Dahringer American Legion Home, 405 W. Washington St., Waukegan. Presentation of the ski show is the club's

outstaning event of the year.
Proceeds of the event are used to support the United States Ski Association and ski racing.

The Waukegan Ski Club was formed in 1958 and consists of members located throughout the Lake County area. The club numbers about 125 members and meets twice monthly thru the winter months.

General Chairman for this year's Ski Show is Elaine Hams. Show hours will be 7:30 p.m. to 1:30 a.m. The show will feature equipment, fashions and ski area exhibits presented by the Outdoorsman, Bob's Ski Hut, Snowflake, Munson Marine, Joi Du, Ski Nook, Nehlsens of Kenosha, and William Ski House. In addition, descriptive brochures, rates and information will be available on Ski Areas throughout the United States, Canada and Europe.

A ski fashion show and a special skiing demonstration will be a few of the highlights of the evening. Dancing till 1:30 a.m. will be provided by Larry Leafblad and the Scotch Lads. Door prizes will be presented throughout the evening. Many of the prizes will be lift tickets, ski lessons or weekend packages presented by the ski areas.

SISTER SANDY ACCEPTS FOR DEBBIE

The award winning theme "Sequoit Songfest" for the 1972 Antioch High School Homecoming was submitted by Miss Debbie Herbert a former Antioch High School student and now a student at Augustana College. The award, a \$50 Savings Bond donated by the State Bank of Antioch was presented at the homecoming pep rally by Mr. Brad Ipsen of the State Bank. In Debbie's absence, her sister Sandy accepted the award. (Staff Photo)

ANTIOCH NEWS IS A REAL WINNER

We are proud to say that the Antioch News is a real winner. This week the news was awarded an Honorable Mention in the 1972 Illinois Newspaper Contest sponsored by the Illinois Press Association. This is the first contest that the News has been entered in since it has been under new management these last 16 months.

There were 1,054 entries in thecontest and 144 of these were

newspapers. A total of 190 awards were given. The Antioch News received an honorable mention for General Excellence in Division A. They were presented with a certificate of award and an honorable mention ribbon.

The Antioch News is proud of their achievement and will continue to strive to bring you award winning news in the future as we have in the past.

SALON NO 191, ILL. EIGHT AND FORTY

The Lake County Salon No. 191, Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary; met at the home of Mrs. Carson Neville, Slusser Street, Grayslake, on October 4th. Mrs. Ray Suzzi, Highwood, Le Chapeau, conducted the meeting.

Reports were heard from, those members who attended the Fall Pouvior, held at the Dixie Governor Motor Inn at Hazel Crest, Illinois, September 30th and October 1st. Departmental L'Aide (state assistant sergeant-at-arms) and pouvoir member, Mrs. Norman Holt, North Chicago; Area I children and youth chairman, Mrs. Frank Waggett, Highland Park; Mrs. Suzzi; Mrs. John Schultz, Le Demi Chapeau Premiere; and Mrs. Fred Schultz, Past Chapeau; both from North Chicago; represented this salon at the pouvoir.

The state officers and chairmen outlined their programs for the ensueing year, and the main objectives of the state 8 and 40.

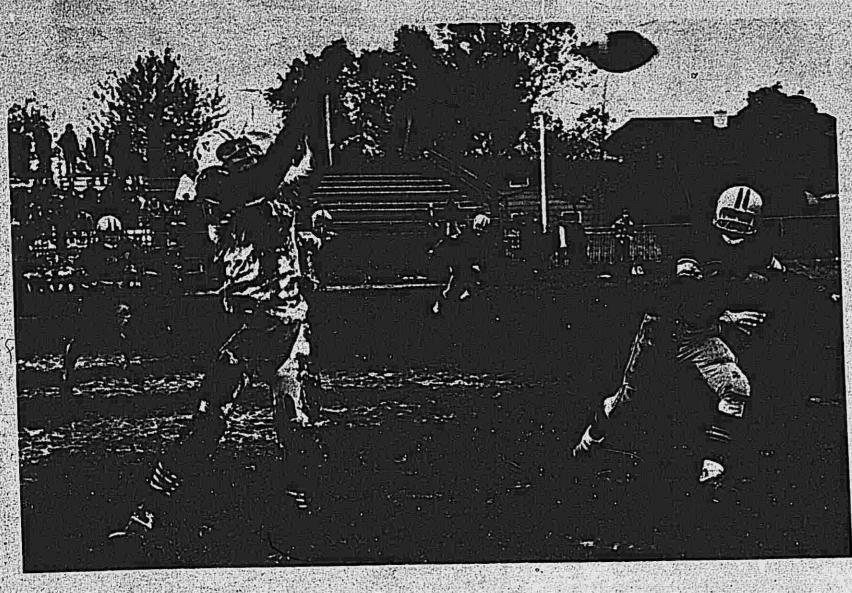

Mrs. John Acklin of Dolton, Departemental Chapeau (state president) was the presiding officer throughout the sessions. A lovely banquet Saturday, with entertainment afterwards, plus a luncheon party on Sunday added a note of festivity to the two day convention.

Ways and means chairman, Mrs. Phillip Strand of Liberty-ville, announced that a white elephant sale would be held at the November 1st meeting which will be held at the Antioch Upper Grade School. This meeting will be hosted by Mrs. John L. Horan, Mrs. Edward Jahneke and Mrs. Ray Rathmann, all of Antioch, Mrs. Edward Wohlbrandt and Mrs. John Mariacher, both of Wauconda.

Hostesses for the Grayslake

meeting were Mrs. C. Neville, Mrs. George Mitchell, Miss Jacqueline Watters, Mrs. Thomas Watters, Mrs. Stanley Kreml and Mrs. Almond Thurlwell.

TRUE LOVE by DOWNS

6HOW SWEET IT IS?

It was a number of games in coming but according to head coach Roy Nelson "Happy Victory". This game like the others, began the same with Wauconda taking a first quarter lead of 14-0 and it was not until the clock showed 5:38 in the second quarter that things began to change. The Sequoit's work horse in the back field, No. 33, Tom Pfaehler took a pitch out from Quarterback Fred Popp and went 72 yards for Antioch's first T.D. The point after was no good. Score 14-6 Wauconda and so ended the first half. The second half featured a much more aggressive football team for Antioch than we have seen all year and the results prove our point. Antioch's defense put on the power and held Wauconda scoreless for two periods. The offense got moving both on the ground as well as in the air. The

combination of QB Fred Popp and No. 12, Charlie Chapman took to the air for a 22 yard pass play, then a little later the important one an 18 yard pass that netted a T.D.

QB, Fred Popp's plunge for the point after tied the score 14-14 with less than two minutes to go

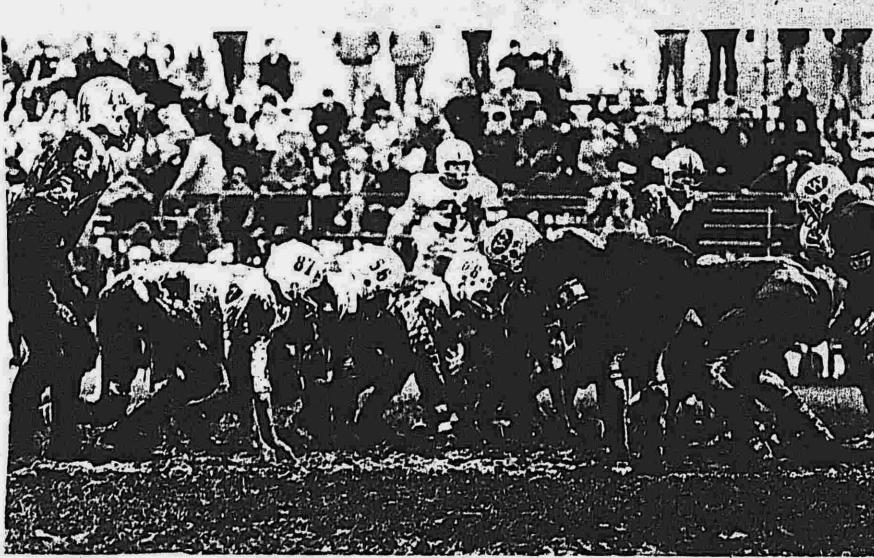

· At this point it seemed that Antioch would have to settle for a tie. With 1:57 left to go in the game, Antioch kicked off to Wauconda who put the ball in play on their 25 yard line. In a desperate attempt to win Wauconda took to the air to try for the lead and this set the stage for our story book ending to Antioch's first victory of the year. On the second play from scrimmage Wauconda's QB went for a short pass over the middle, but No. 66, Glen Amundsen, senior guard and defensive linebacker picked-off

the pass and ran for the lineman's dream - a 27 yard T.D. and Antioch's first season's win 20-14. To put the icing on the cake - after Antioch's kick-off to Wauconda, and on the first play Wauconda tried again to pass and No. 11, Mike Gutowski of Antioch picked off another Wauconda pass and so ended the game.

According to head Coach Nelson "all the kids were great". Some of the many outstanding of the day were on defense: No. 66, Glen Amundsen - 10 tackles; 4 assists and 1 interception. No. 73, Rick Sedar 10 tackles; 5 assists. No. 68, Steve Vasquez 7 tackles; 4 assists. Dave Dziki, 4 tackles; 5 assists. No. 12, Charlie Chapman 6 tackles; 3 assists. On: offense: the running of No. 33, Tom Pfaehler and No. 12, Charlie Chapman and the QB work of No. 13, Fred Popp.

The last game of the year will be at home against Round Lake. This will be the last game for the seniors of '73 which include H.B. Charlie Chapman, Q.B. Fred Popp, H.B. Keith Larsen, H.B. Tom Pfaehler, E Joe Mihovilovich, FB Dave Piiro-

nen, C Tim Staples, C Gregg Dickson, G Doug Banwart, G Glen Amundsen, G Steve Vasquez T Steve Gibson, T Bill Davis, T Ed Oilschlager, E Dennis DeBoer and E Dave Dziki.

No this is not a test for the strongest detergent in the world, but a scene from Saturday's Antioch Sequoit Victory over Wauconda 20-14. The Sequoit's mothers also won - the uniforms will be nice and white next game. (Staff Photo)
